The Yakko Cabal Wins...

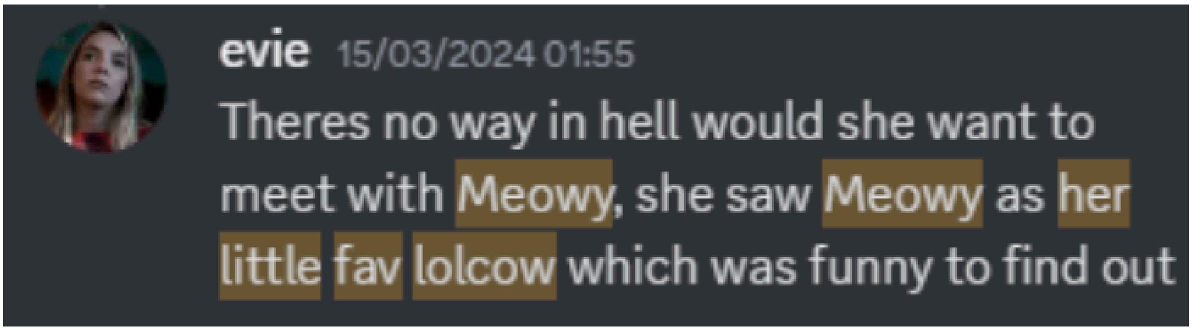
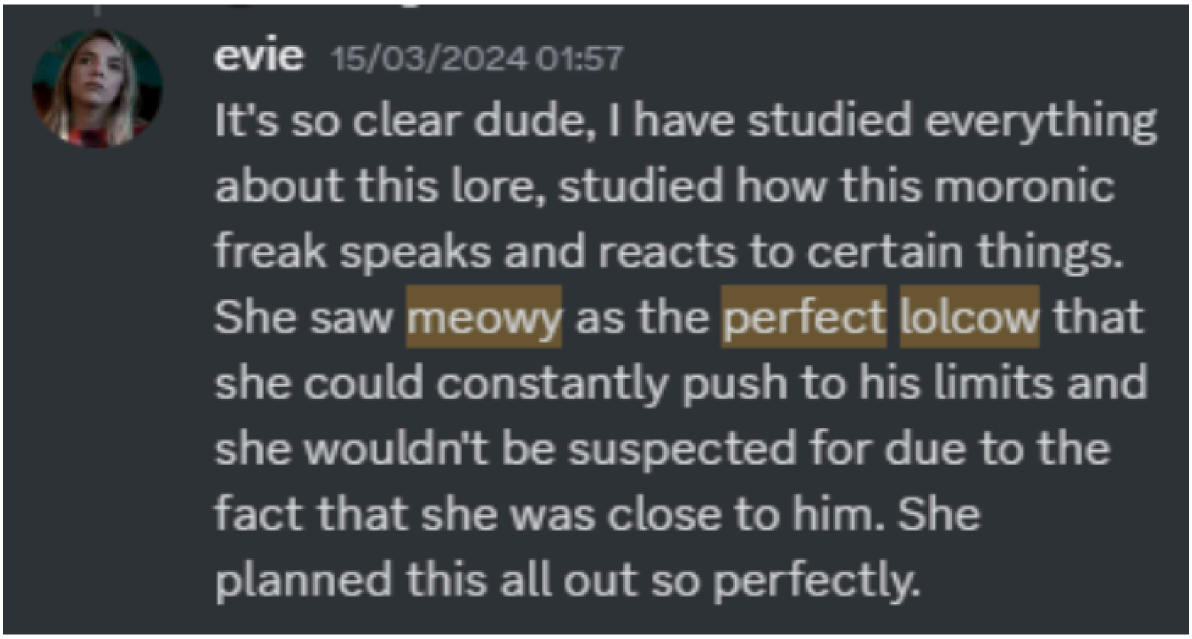
I can't 100% tell you that you aren't even just a bit delusional. All I can tell you is that you really dont know just how strong of a person you are



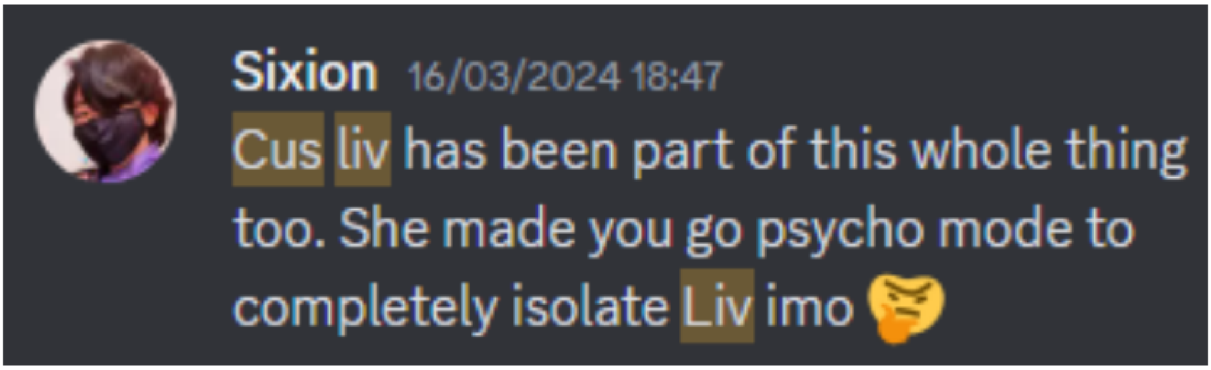
evie 15/03/2024 01:55

Theres no way in hell would she want to meet with Meowy, she saw Meowy as her little fav lolcow which was funny to find out



evie 15/03/2024 01:57

It's so clear dude, I have studied everything about this lore, studied how this moronic freak speaks and reacts to certain things. She saw meowy as the perfect lolcow that she could constantly push to his limits and she wouldn't be suspected for due to the fact that she was close to him. She planned this all out so perfectly.



Sixion 16/03/2024 18:47

Cus liv has been part of this whole thing too. She made you go psycho mode to completely isolate Liv imo 🤔

Police investigation && Obstruction of justice

Ample evidence to suggest Yakko is guilty of **numerous crimes** including **SERIOUS** ones.

(Counsiling or aiding in suicide)

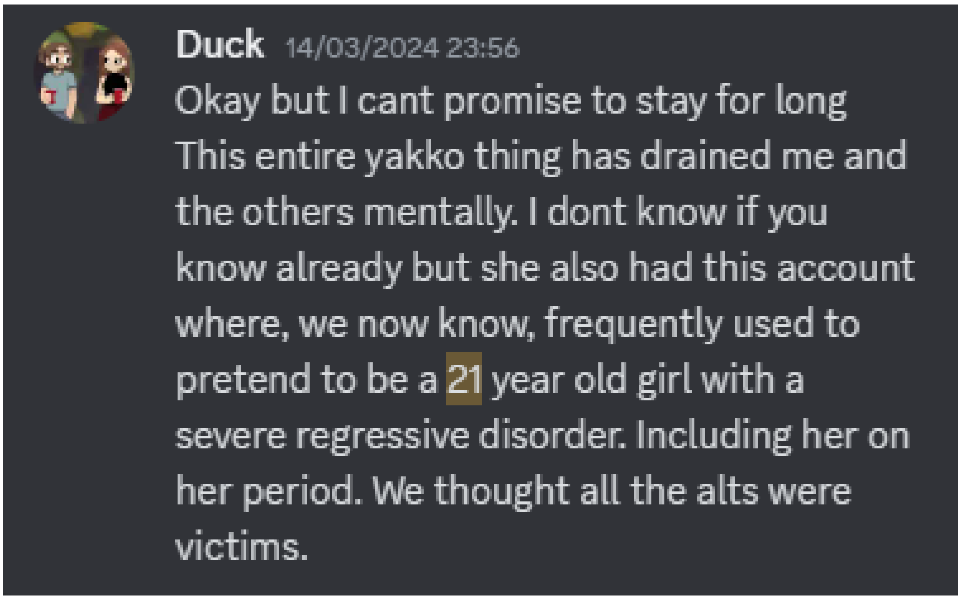
Law enforcement agencies will investigate what happened here I implore **ANYONE** that **interacted** with “**Yakko**”, “**Fern**”, “**Casablanca**”, “**Linen**”, or any of **Yakko’s** other accounts to not **DELETE ANYTHING THAT COULD BE USED AS EVIDENCE OR YOU MIGHT BE HELD LIABLE**.

Both Evie (through her **own lawyers**) && **Max** (through his **uncles lawyers**) **will hold Yakko accountable** for her **ABHORRENT** crimes.

Who’s Yakko

Yakko is a **30-something Canadian woman** with **BPD**, **Schizophrenia**, and (**probably**) has the **MOST SEVERE case of Dissociative Identity Disorder** (**Multiple Personality Disorder**) **worldwide** which **ironically** enough her **“Yakko” persona vehemently denied existed** at all as well as **periodic suicidal** && **HOMICIDAL ideation**. Yakko **LOVES** “art”, dolls, toys, and **likely age regressed** often on her “Linen” **persona** && **affiliated** “**victims**” (**alt accounts**), although **Yakko never spoke to Max as the “Linen**” persona I heard she used it to string Duck

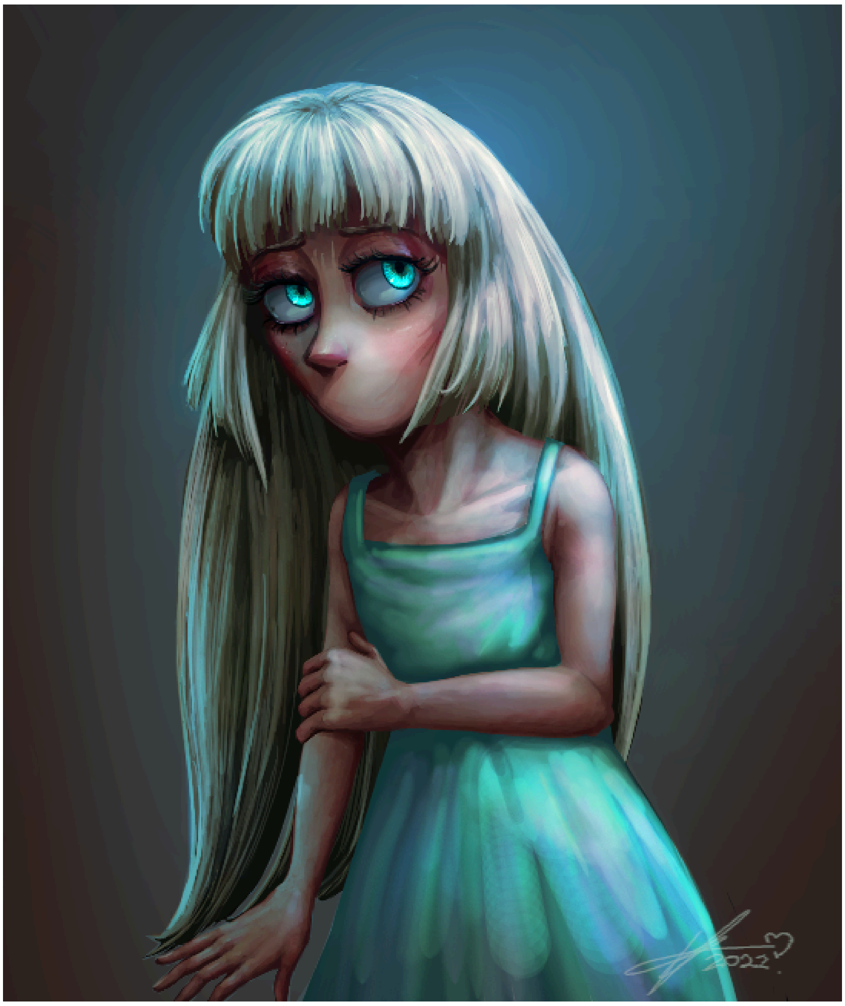
&& other gullible Discoardians along.



Duck 14/03/2024 23:56

Okay but I cant promise to stay for long
This entire yakko thing has drained me and the others mentally. I dont know if you know already but she also had this account where, we now know, frequently used to pretend to be a 21 year old girl with a severe regressive disorder. Including her on her period. We thought all the alts were victims.

Linen persona visualized

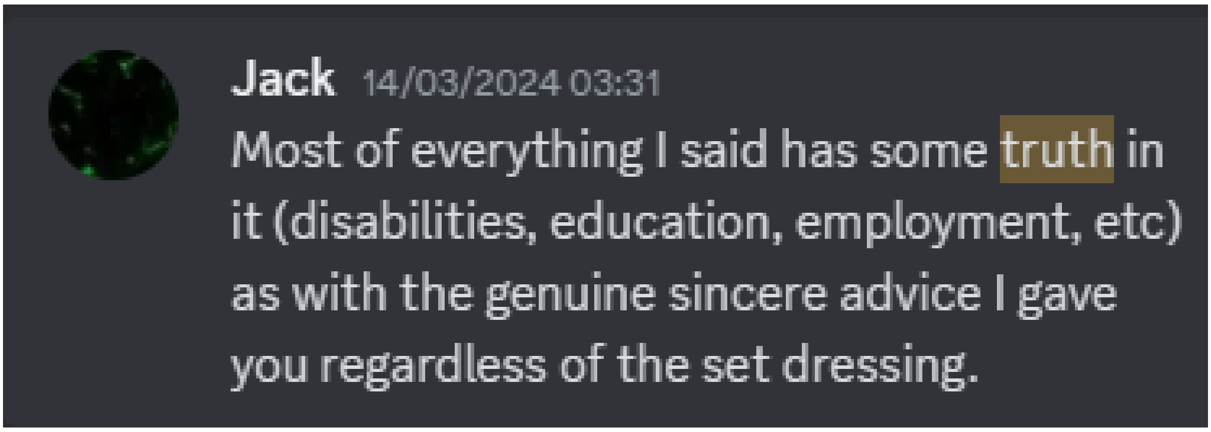


Yakko has a morbid fascination with Mike Diana's, (TW) medical fetish porn && snuff flicks , animal carcasses, and going by Yakko's "Benevolent/Fern" persona **MASOCHISTIC RAPE**, Her **IQ** is in the **99th percentile**; no concrete figure but all her main persona's threw numbers around the 135 - 140 range so let's just go with 137.5 which means there are approx. 42.900 people in the whole of Max's country (Belgium) that are Yakko's intellectual peers; genuine waste of talent to gaslight people into suicide (online).

(Who’s Yakko) is based on over 5 years of

interactions Max had with her across

“Yakko”, “Fern”, “Yakko”, “Angel”, other persona’s.



Jack 14/03/2024 03:31

Most of everything I said has some truth in it (disabilities, education, employment, etc) as with the genuine sincere advice I gave you regardless of the set dressing.

“Yakko” persona’s male voice

Yakko’s (boy) friend has **different pseudonym** for

different Yakko’s persona’s e.g. “**Dylan**” for the

“**Wild Man Fischer/ Yakko**”-account, “**Randy**” for

“**Benevolent/Fern**”, “**Connor**” for “**Jack**”.

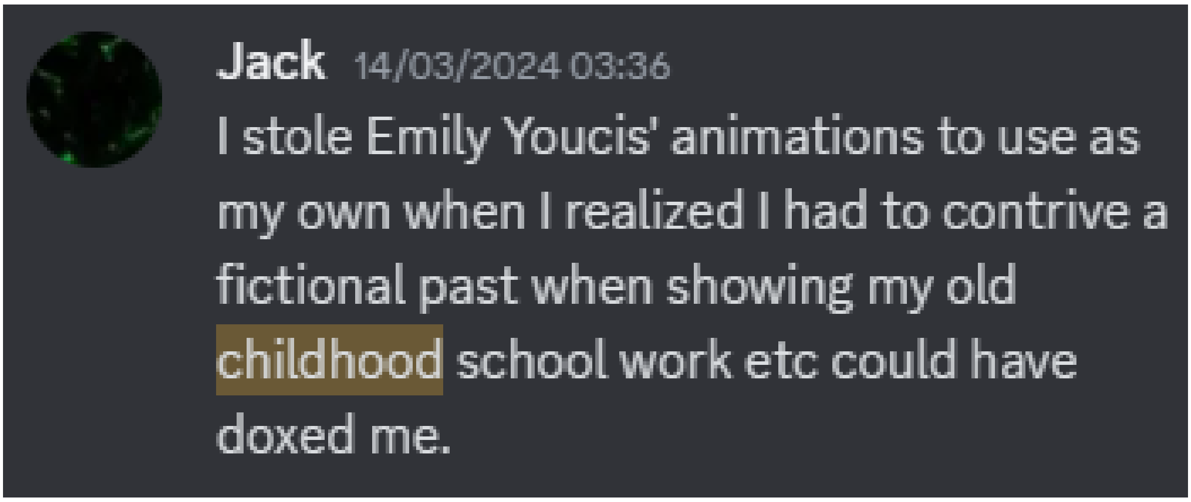
Yakko’s “Yakko”-persona exposed

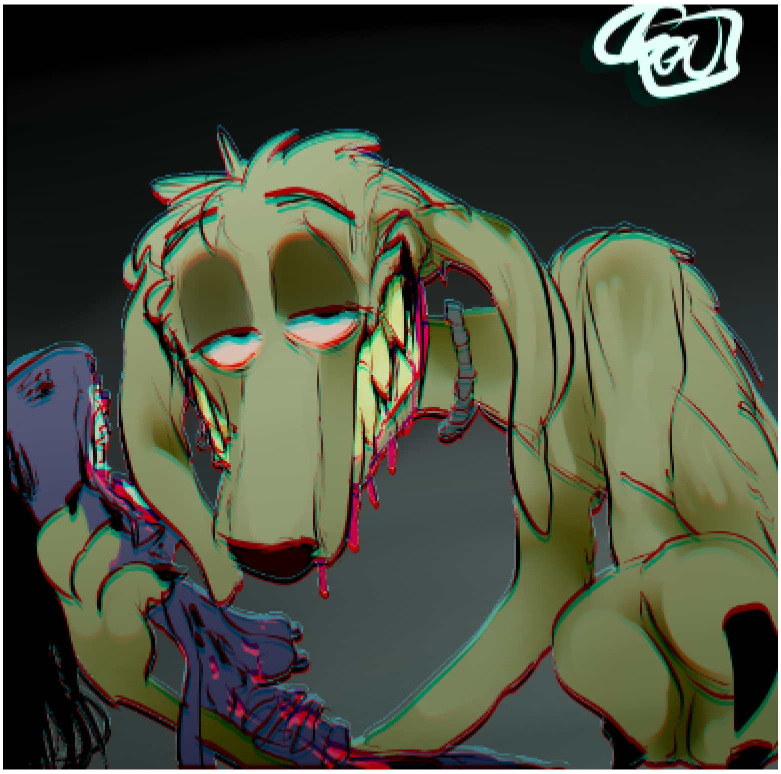
In **January 2024 Uncle Piss exposed** the **“Yakko” persona** as a **fake** in “**The Grey**” when **Yakko** tried to **claim neo-nazi art** as **her own childhood art** to **prevent herself** from **being doxxed**.

Yakko didn’t know it at the time but this also **exposed EVERYTHING**.



Jack 14/03/2024 03:36

I stole Emily Youcis' animations to use as my own when I realized I had to contrive a fictional past when showing my old childhood school work etc could have doxed me.



Yakko's "Benevolent/Fern" persona exposed

Evie's friends exposed the "Benevolent" persona in her own private server "Evie's Operating Table" around the same time as Uncle Piss exposed the "Yakko" persona.

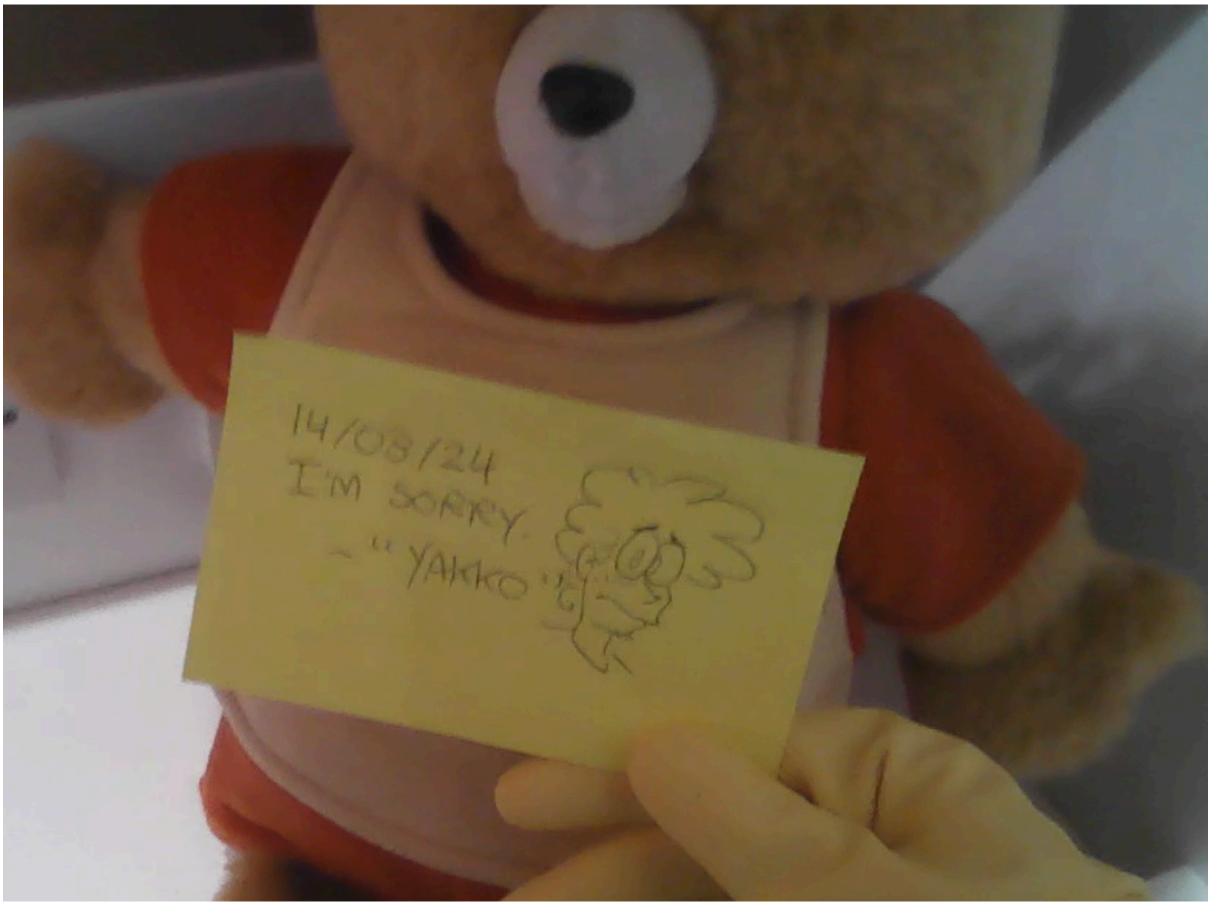
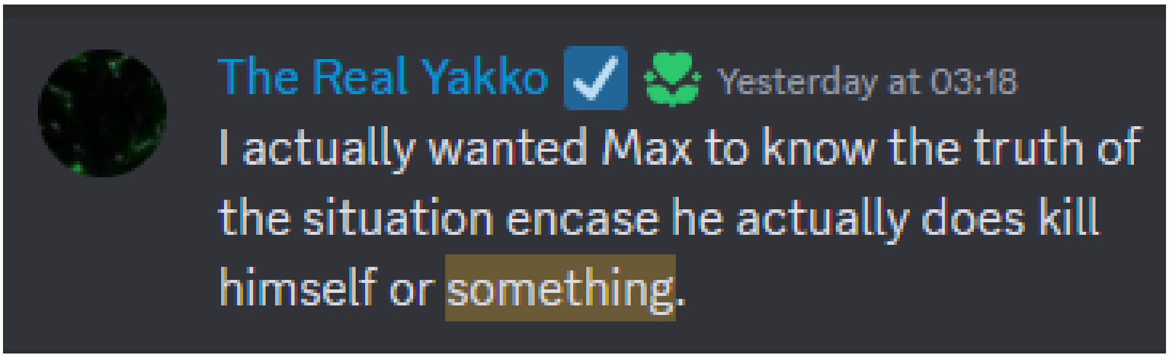
Yakko’s “Yakko” persona comes “clean” on her “Jack” account the 14th of March 2024 in “Society”

(please watch the 3 recordings (“2024-03-14_SocietyJackPzzaYakkoConfession.mp4”) provided with the “YakkoExpose”ZIP-file of Yakko’s confession on the Jack-account)

Proof Yakko ”gave on the “Jack”-account that she is Yakko

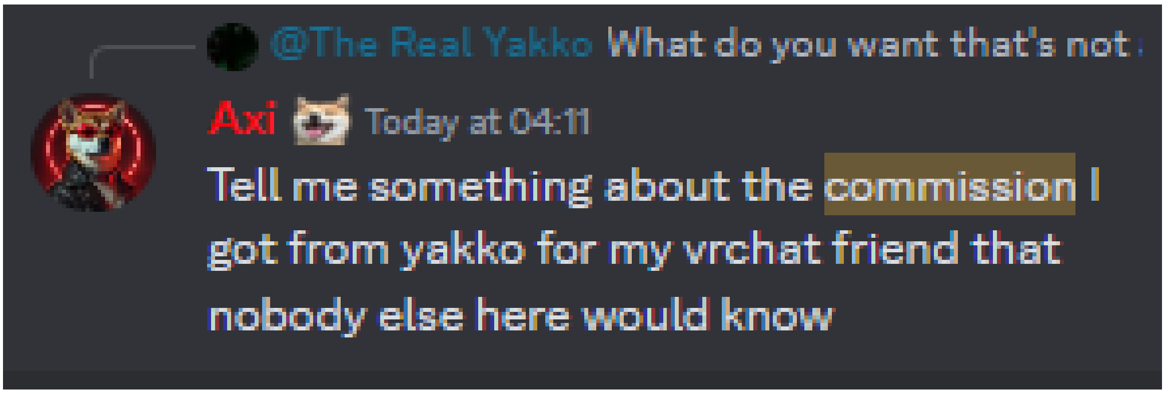




The Real Yakko Yesterday at 03:18

I actually wanted Max to know the truth of the situation encase he actually does kill himself or something.

The “**Jack**”-**account verified itself** to be the **woman behind** the “**Yakko”-persona** in the “**Society**” **Discord server** because she felt like **Max deserved** to know “**the truth**” e.g. more **falsehoods to send Max on a wild goose chase** also **notice** the **nonchalant** “**or something**”.



@The Real Yakko What do you want that's not

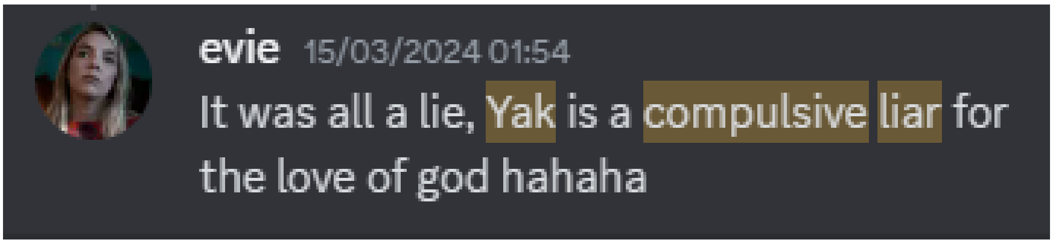
The Real Yakko Today at 04:14

It was for Cres. You paid me in bitcoin after I initially offered to accept paypal. I sent you multiple screenshots. You asked me to reduce the fluff in her cheeks and tone down my looney tunes style a bit. You sent me a video of you showing it to her in her world and then later wanted me to potentially do more comms for you before I left. I also remember you saying you wanted something in the style of old DS games.

Yakko’s many lies to Max/Meow && friends on the “Jack”-account as the “Yakko-persona”

(click here to skip this section)

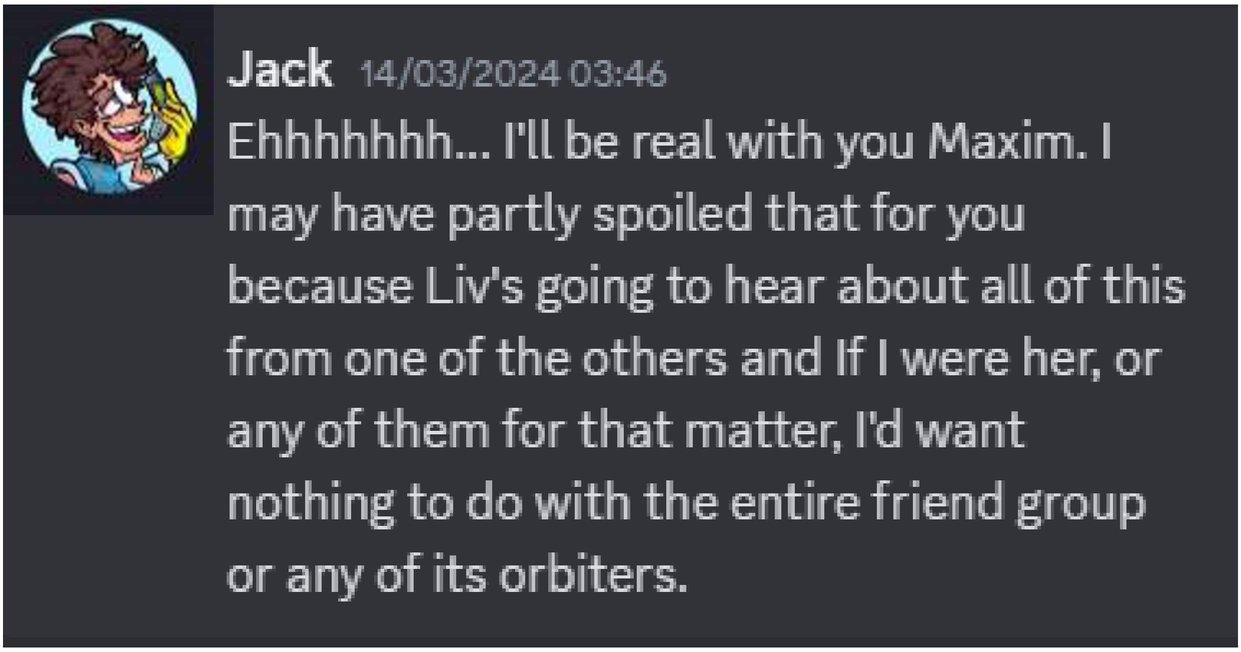


evie 15/03/2024 01:54

It was all a lie, Yak is a compulsive liar for the love of god hahaha

Olivia/Max friendgroup sabotage

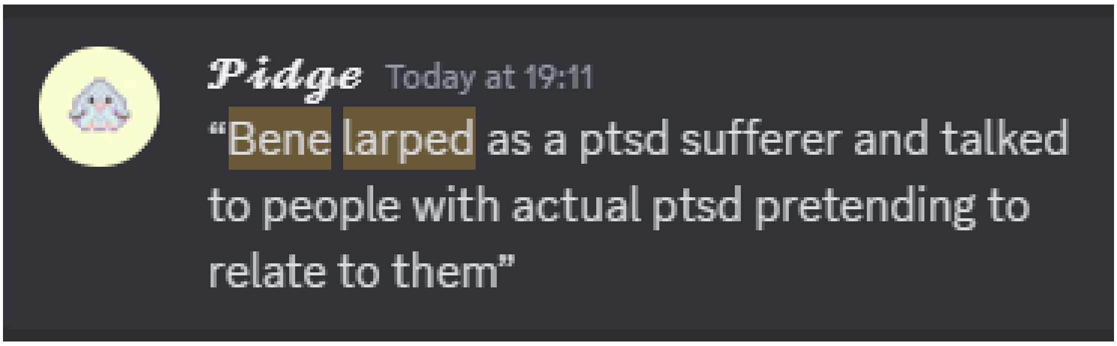
Yakko confesses that her “**Yakko**” did **whatever she could** to **drill** into **Liv’s head** that **Max’s friends** (on Society) including a **homosexual 35 year-old furry** from New Zealand, a **half Asian** girl with house cat energy, a **neurotic Polish man** that **HATES** Nazism, and **countless folks** of **African descent** including one that lives in **Nigeria** are **incels**, **vaYakkots**, and **NEO NAZIS**.



Jack 14/03/2024 03:46

Ehhhhhhh... I'll be real with you Maxim. I may have partly spoiled that for you because Liv's going to hear about all of this from one of the others and If I were her, or any of them for that matter, I'd want nothing to do with the entire friend group or any of its orbiters.

Here’s “**Pidge**” my **18-year-old Romani friend** (&& **AFAIK** not a **neo-nazi**) **obsessed** with **pigeons**; **Yakko** tried to “**relate**” to.

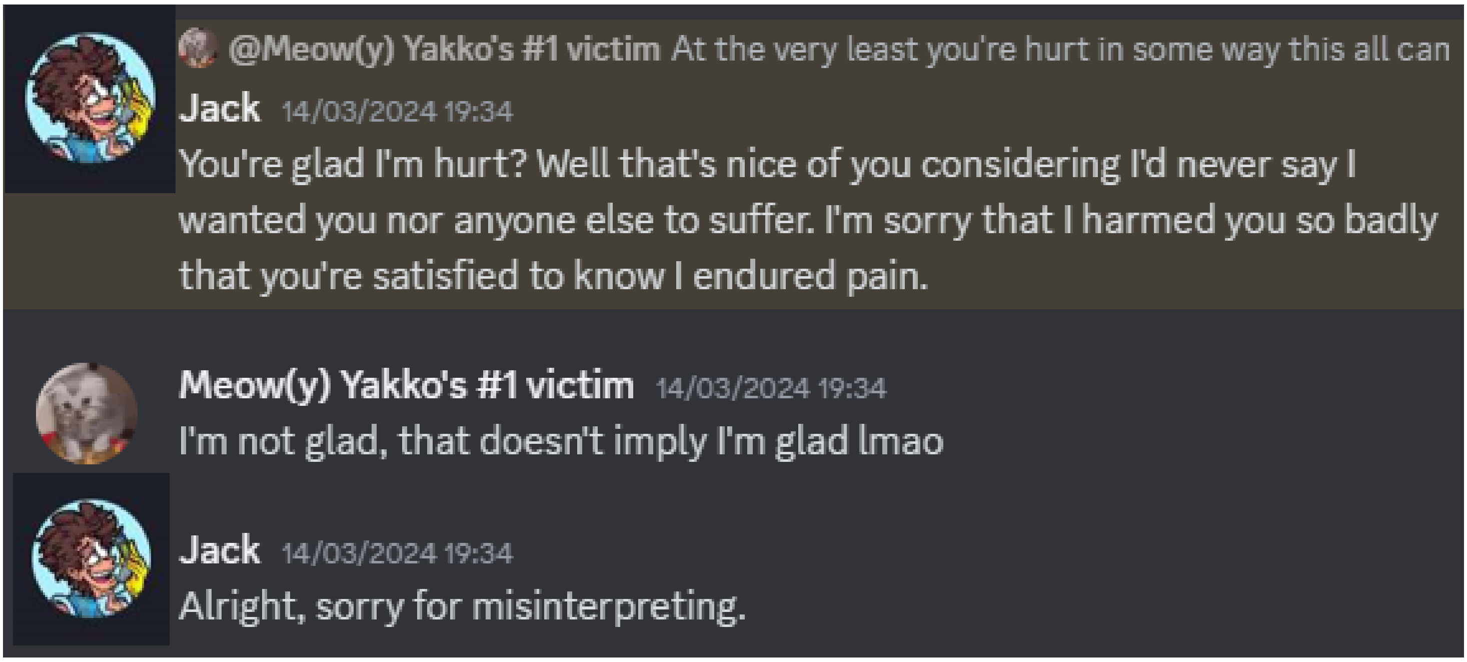


Pidge Today at 19:11

“Bene larped as a ptsd sufferer and talked to people with actual ptsd pretending to relate to them”

Yakko on the “Jack” account playing the “Yakko” persona’s real self “

coming clean” **victimizes herself** after causing **incomparable emotional damage** to **COUNTLESS** over **15 years** then **accuses Max** (after laughing on VC how she doxxed && harassed **Max** and **one innocuous comment on Max’s part**) of taking **satisfaction** in her **hurt**, **suffering**, **misery**, and pain (**WTF LOL**!!!).



@Meow(y) Yakko's #1 victim At the very least you're hurt in some way this all can

Jack 14/03/2024 19:34

You're glad I'm hurt? Well that's nice of you considering I'd never say I wanted you nor anyone else to suffer. I'm sorry that I harmed you so badly that you're satisfied to know I endured pain.

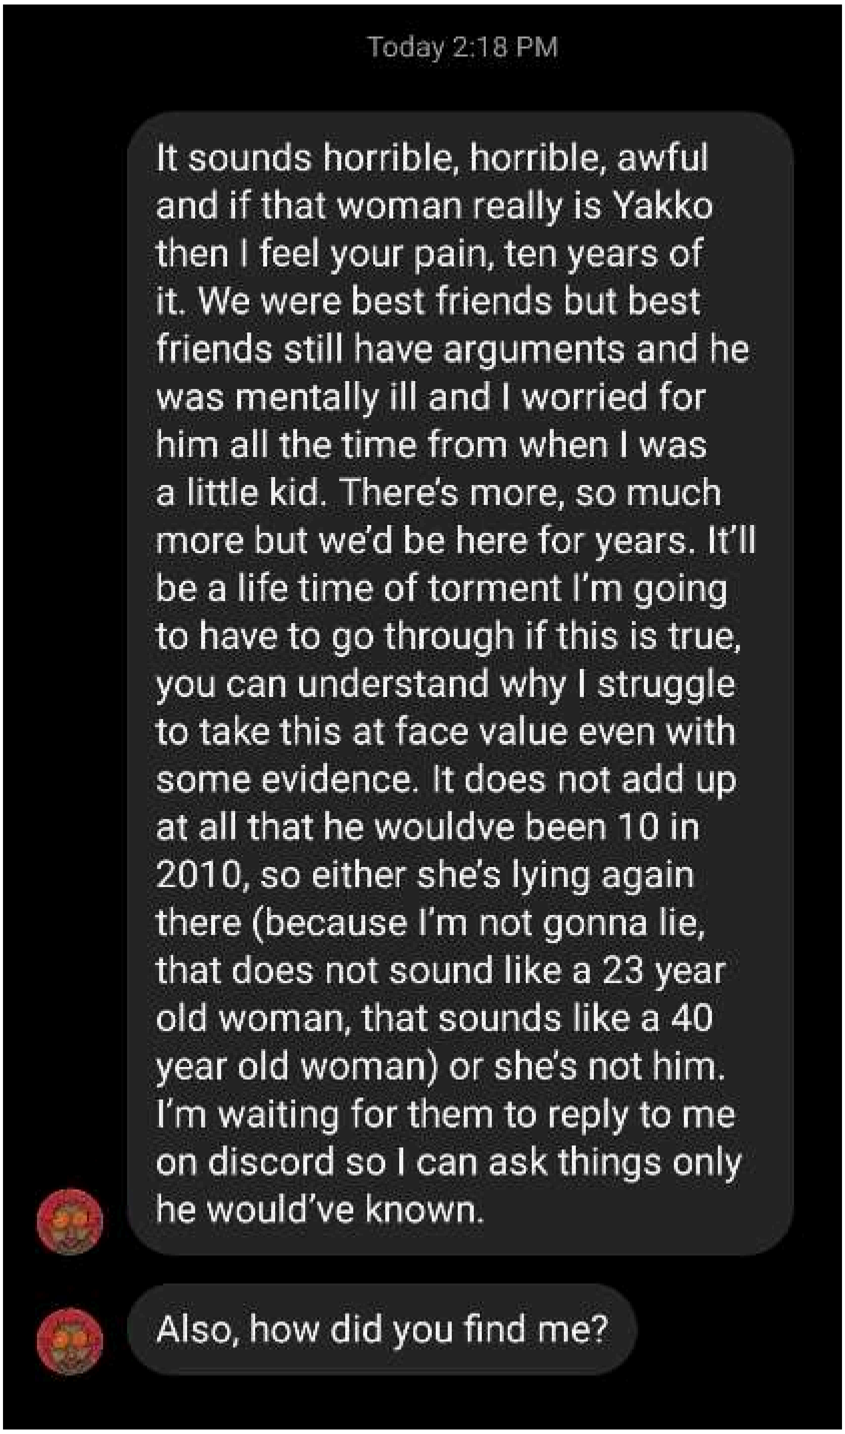
Meow(y) Yakko's #1 victim 14/03/2024 19:34

I'm not glad, that doesn't imply I'm glad lmao

Jack 14/03/2024 19:34

Alright, sorry for misinterpreting.

Dear reader, please keep in mind the **damage this creature has done**. Here is one of the **Yakko”’s persona’s best friends** of 12 years (going back to 2012).

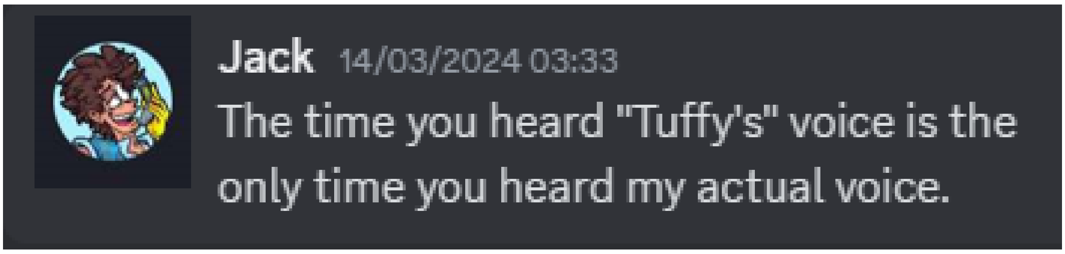


Today 2:18 PM

It sounds horrible, horrible, awful and if that woman really is Yakko then I feel your pain, ten years of it. We were best friends but best friends still have arguments and he was mentally ill and I worried for him all the time from when I was a little kid. There’s more, so much more but we’d be here for years. It’ll be a life time of torment I’m going to have to go through if this is true, you can understand why I struggle to take this at face value even with some evidence. It does not add up at all that he wouldve been 10 in 2010, so either she’s lying again there (because I’m not gonna lie, that does not sound like a 23 year old woman, that sounds like a 40 year old woman) or she’s not him. I’m waiting for them to reply to me on discord so I can ask things only he would’ve known.

Also, how did you find me?

Yakko claims that **the only time Max/Meow heard** her **voice** was on the "**Yiffy The Yakhound**" **account** in **February 2023** in VC with **Max/Meow** && **Axi** which is **another lie** since **Max** and **Yakko's** "**pzza**" **account** watched **ALL of Code Geass** together **early 2023**.



Jack 14/03/2024 03:33
The time you heard "Tuffy's" voice is the only time you heard my actual voice.

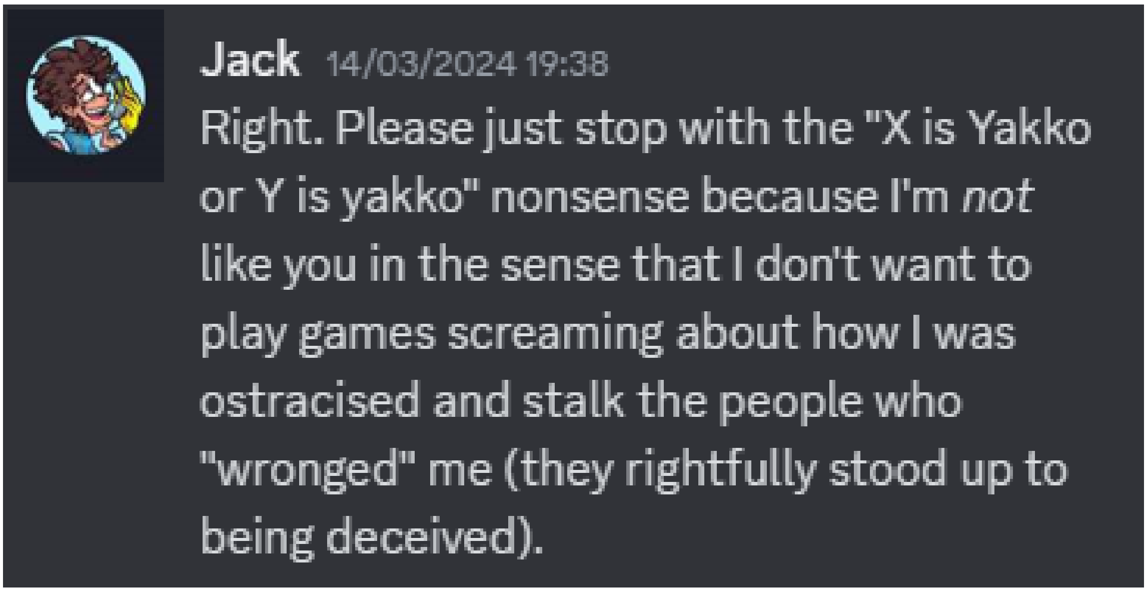
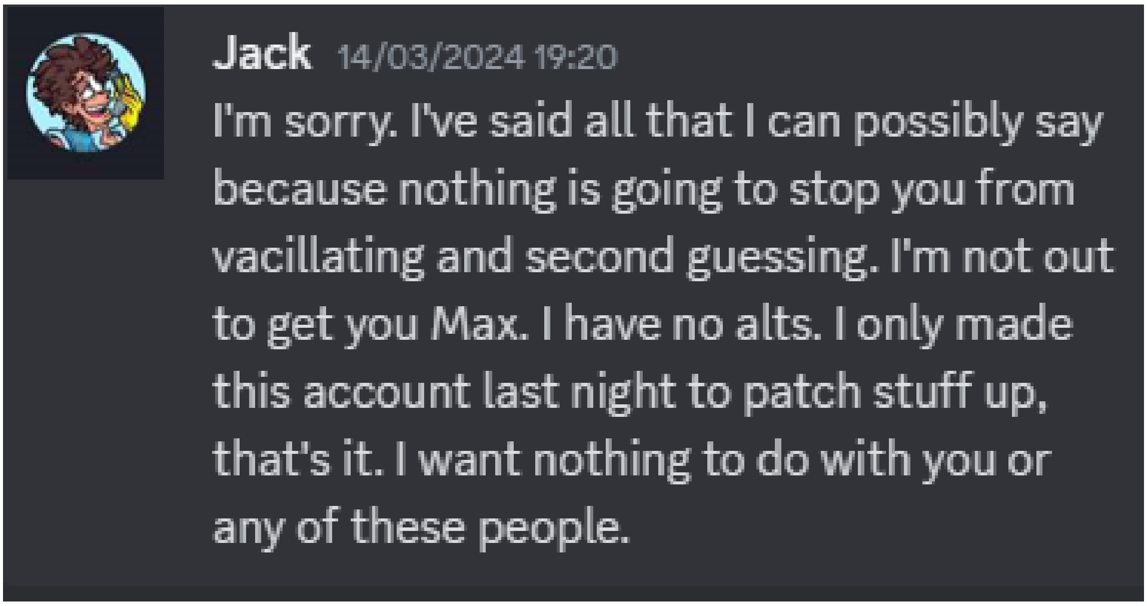
Yakko as the “Yakko” persona on the “Jack” account larping as the “Yakko” persona coming clean tries to dissuade Max from looking into her other persona’s and accounts despite two the “Wild Man Fischer/Yakko” && “Benevolent/Fern” proven fake …



Jack 14/03/2024 19:38

Right. Please just stop with the "X is Yakko or Y is yakko" nonsense because I'm *not* like you in the sense that I don't want to play games screaming about how I was ostracised and stalk the people who "wronged" me (they rightfully stood up to being deceived).



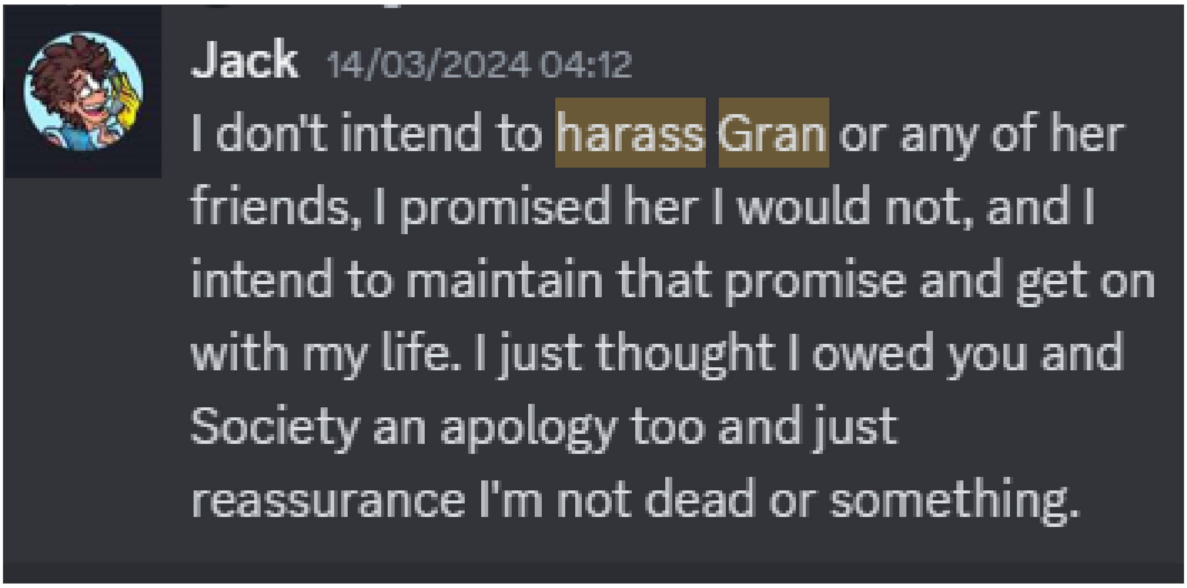
Jack 14/03/2024 19:20

I'm sorry. I've said all that I can possibly say because nothing is going to stop you from vacillating and second guessing. I'm not out to get you Max. I have no alts. I only made this account last night to patch stuff up, that's it. I want nothing to do with you or any of these people.

Yakko as the **“Yakko persona** on the **“Jack” account** claims to not

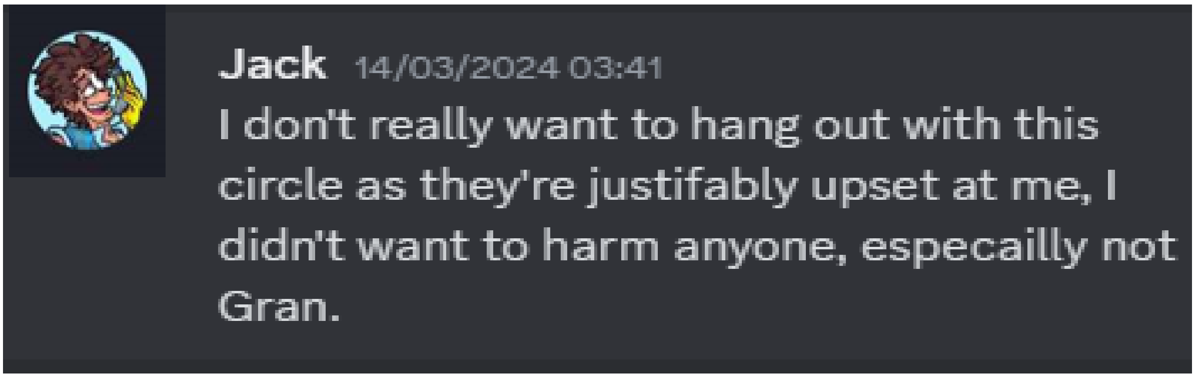
know the **“Casablanca” persona** and distances herself from both

Casablanca and **Yakko** as **much as possible** on **VC** && **text**.



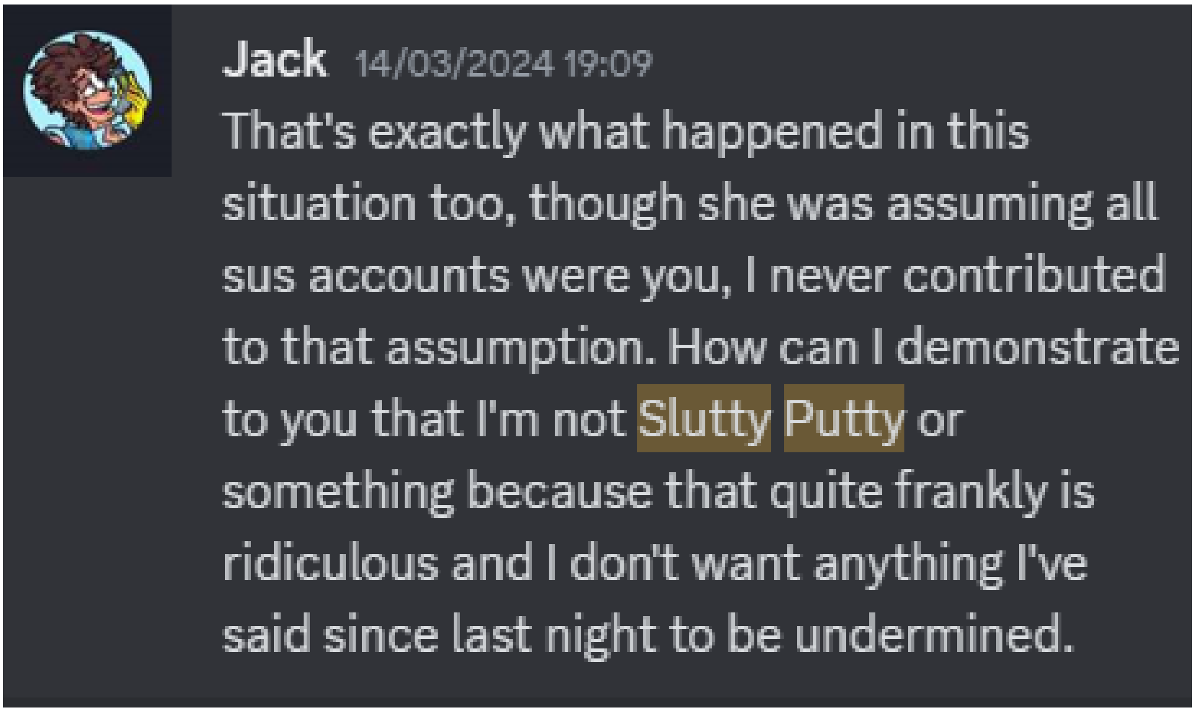
Jack 14/03/2024 04:12

I don't intend to harass Gran or any of her friends, I promised her I would not, and I intend to maintain that promise and get on with my life. I just thought I owed you and Society an apology too and just reassurance I'm not dead or something.



Jack 14/03/2024 03:41

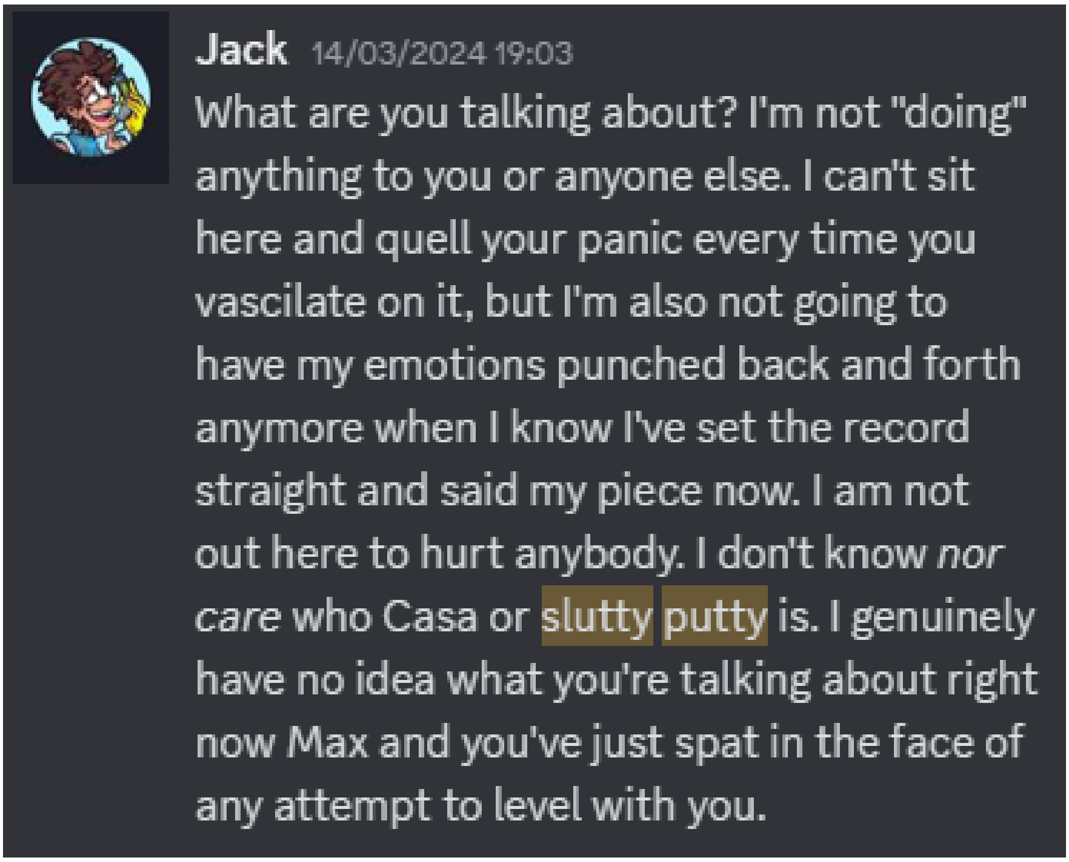
I don't really want to hang out with this circle as they're justifably upset at me, I didn't want to harm anyone, especailly not Gran.



Jack 14/03/2024 19:09

That's exactly what happened in this situation too, though she was assuming all sus accounts were you, I never contributed to that assumption. How can I demonstrate to you that I'm not Slutty Putty or something because that quite frankly is ridiculous and I don't want anything I've said since last night to be undermined.

Yakko/Yakko pretends to not know nor care who Slutty Putty/Casablanca is thinking Max was born yesterday



Jack 14/03/2024 19:03

What are you talking about? I'm not "doing" anything to you or anyone else. I can't sit here and quell your panic every time you vascilate on it, but I'm also not going to have my emotions punched back and forth anymore when I know I've set the record straight and said my piece now. I am not out here to hurt anybody. I don't know *nor care* who Casa or slutty putty is. I genuinely have no idea what you're talking about right now Max and you've just spat in the face of any attempt to level with you.

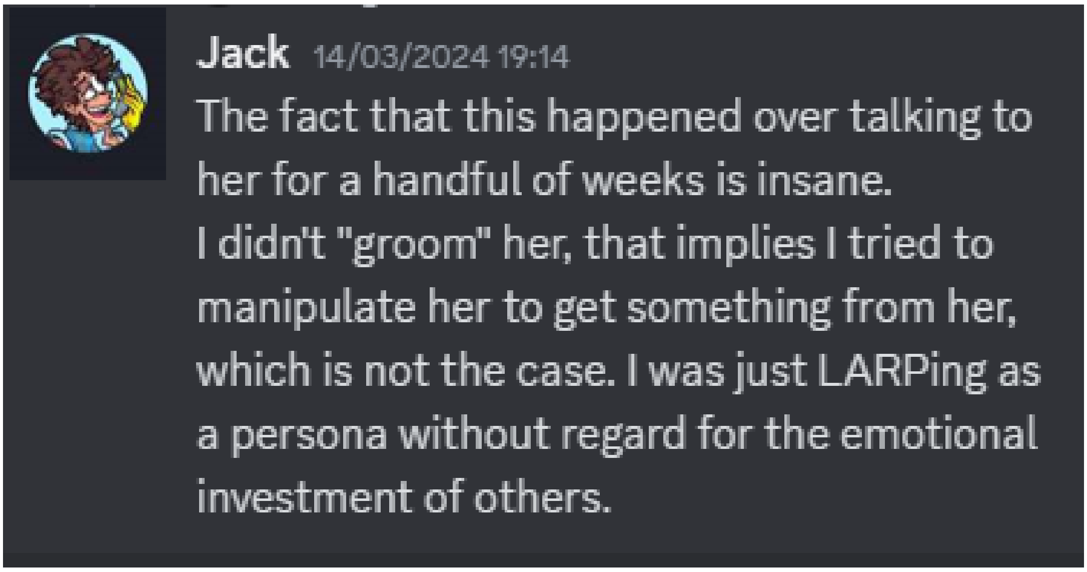
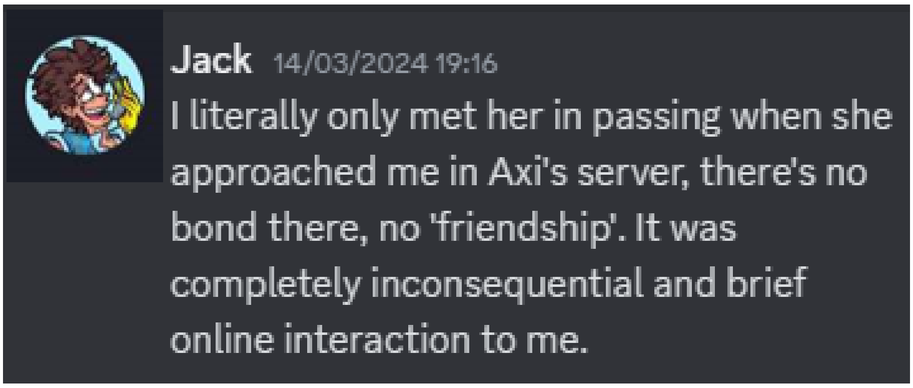
Yakko as the “Yakko” persona on the “Jack” account claims grooming Evie on “Fern” persona “wasn’t a big deal”



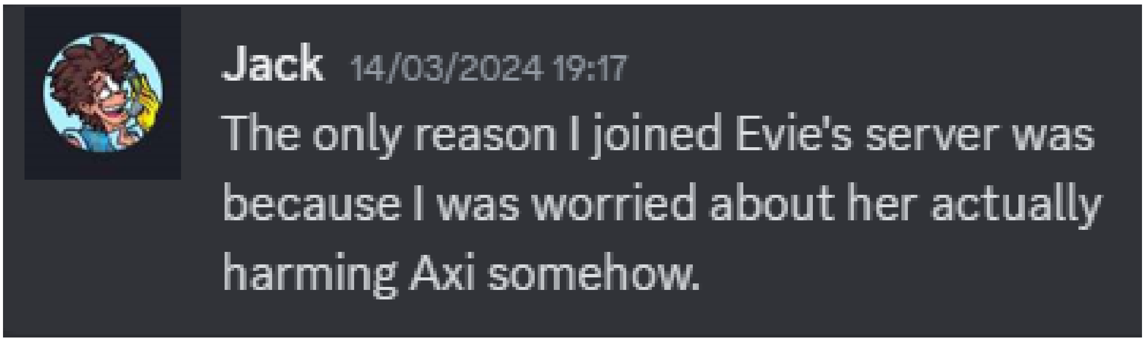
Jack 14/03/2024 19:14

The fact that this happened over talking to her for a handful of weeks is insane.
I didn't "groom" her, that implies I tried to manipulate her to get something from her, which is not the case. I was just LARPing as a persona without regard for the emotional investment of others.



Jack 14/03/2024 19:16

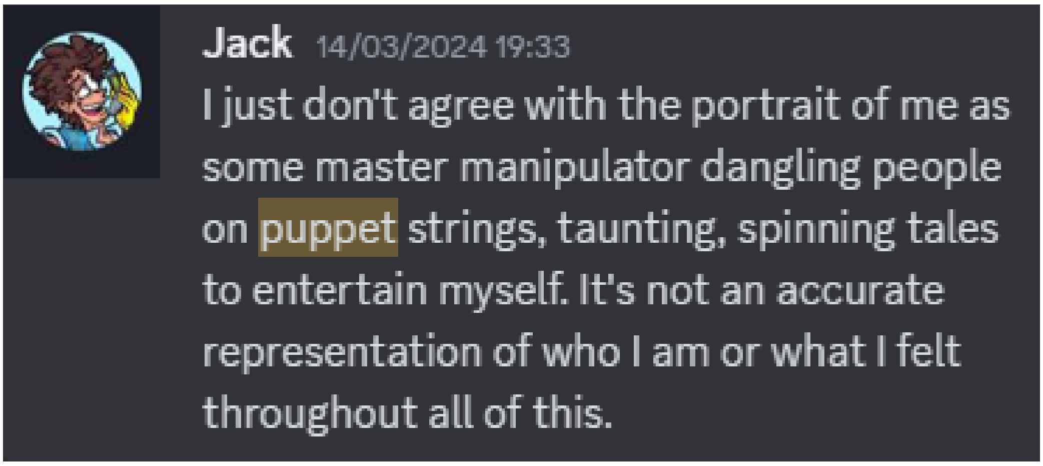
I literally only met her in passing when she approached me in Axi's server, there's no bond there, no 'friendship'. It was completely inconsequential and brief online interaction to me.



Jack 14/03/2024 19:17

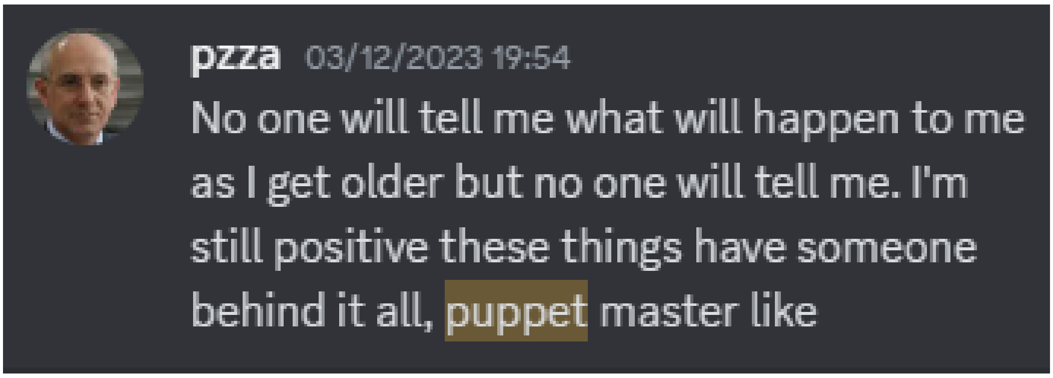
The only reason I joined Evie's server was because I was worried about her actually harming Axi somehow.

Yakko disagrees with her **portrait** as a “**puppet master**” directing **everyone’s actions** from behind the scenes yet on her “**pzza**”-**account** under the “**Yakko/Brianna**”-**persona** she told **Max/Meow** there must be some “**puppet master**” behind it all.



Jack 14/03/2024 19:33

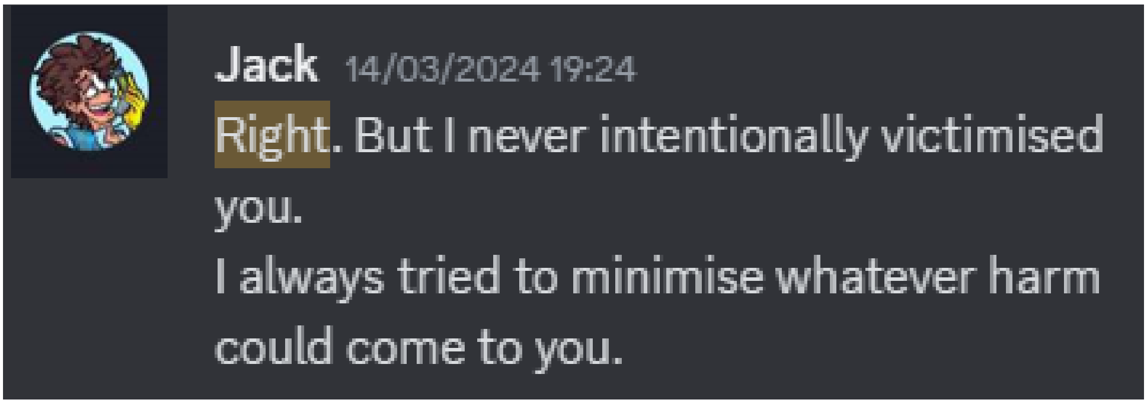
I just don't agree with the portrait of me as some master manipulator dangling people on puppet strings, taunting, spinning tales to entertain myself. It's not an accurate representation of who I am or what I felt throughout all of this.



pzza 03/12/2023 19:54

No one will tell me what will happen to me as I get older but no one will tell me. I'm still positive these things have someone behind it all, puppet master like

Yakko lies about **never victimizing Max**.(nor anyone else).



Jack 14/03/2024 19:24

Right. But I never intentionally victimised you.

I always tried to minimise whatever harm could come to you.

Yakko's decade long RAMPAGE

Yakko's "**Benevolent**" **persona's** special interest was to create a "**pillow angel**", here's a **Reddit account** I traced that goes back **TEN YEARS** under the same name as well as sad backstory as the "**Fern**" **persona** and also a **med student** && the "Yakko" persona was obsessed/paranoid of vaccines. Yakko wasn't lying when she claimed she had done this before Discord even existed on various forums && platforms like Reddit or **Deviantart** (specifically self harm spaces).

...but jufnitz's point is that you don't need to "dramatically lower" your chance of contracting a disease to have a major impact on its spread.

Pertussis is definitely not the disease to use for your example... it's by far the weakest in the TDaP vaccination. I'm only a fourth-year med student and I've already seen several cases in vaccinated children.

And saying that it's a matter of "uptake" doesn't really work for that particular vaccination, either... you don't never see diphtheria in vaccinated people

I am so blessed to be able to call Robin my friend. She is certainly one of the most genuine and compassionate people I've had the pleasure of knowing. Our friendship has survived the greatest of enraged earthquakes, tidal-waves of anguish and tears, and yet Robin can make me smile and laugh just as easily. I live for those precious moments because they mean and do so much; they complete me.
Thank you for this wonderful gift. It's pure in its simplicity and comforting in its warm hues - like an apple poptart.
Right afterwards, I cut the cake and gave the best slice to you.
You are incredible.

Robinostromy Dec 10, 2017

I too am so blessed to call Yakko my friend, best friend even. I have to say the same to you, infact one of the *only*, genuine and compassionate people I've had the honour of meeting and befriending.
Over the years we've faced all kinds of things together, but they have never driven our souls too far apart and we've always found our way back to one another no matter what. I've never known someone who could make me break down and weep so hard yet laugh so fully and wholeheartedly. I know it'll stay that way as long as we know each other. <3
You're welcome Yakko, I'm so happy you like it. I'm also glad you tried a poptart as well- it'll make your life much brighter and sweeter than ever!

Yakko built rapport with **various** "**important**" or **useful** people, within groups filled with **vulnerable folks,** across multiple persona's **e.g. "Yakko" or "Fern"** e.g. **Max's modus operandi** of seeking family within his friendships online due to **trauma** && mental illness then brings them together under a **shared banner in a cult-of-personality-like-fashion** e.g. "**The Grey**" or **transitory spaces** like "**Ozone**" (**Pyro's server**). Happy new year!

A new year has started and I'm not done with 2023 yet. This has probably been the hardest year I've ever been through. So much pain has happened that it's taking time to get myself back on my feet. That being said, good things have happened in slalom between all the bad.

In 2023 the Blotsboka by Margrete Vik Gagama was published Gydje forlag
In this book I have been allowed to create illustrations for Margaret's inspiring poems. I am very grateful.
In addition to working on the book, I have participated in the Finsrud Academy's summer exhibition and the Ås art association's member exhibition. I have also had graphics for sale in Creative gallery and framing workshop in Drøbak.
I have tried something completely new. I've been making bookmarks, and it's been nice to do when most things were impossible.

Now I'm trying to find myself again. I pick up threads where they were suddenly left from me in shock and grief. Fortunately, I have something to lean on that I use as therapy, namely that I can express myself in different ways. Even though I haven't been able to draw anything special in a while it's something happening. Gradually. I can't undo the past, but I can try to shape the future.. a little bit. Right now it's quiet on the outside because I'm waiting for it to stop on the inside. I need to

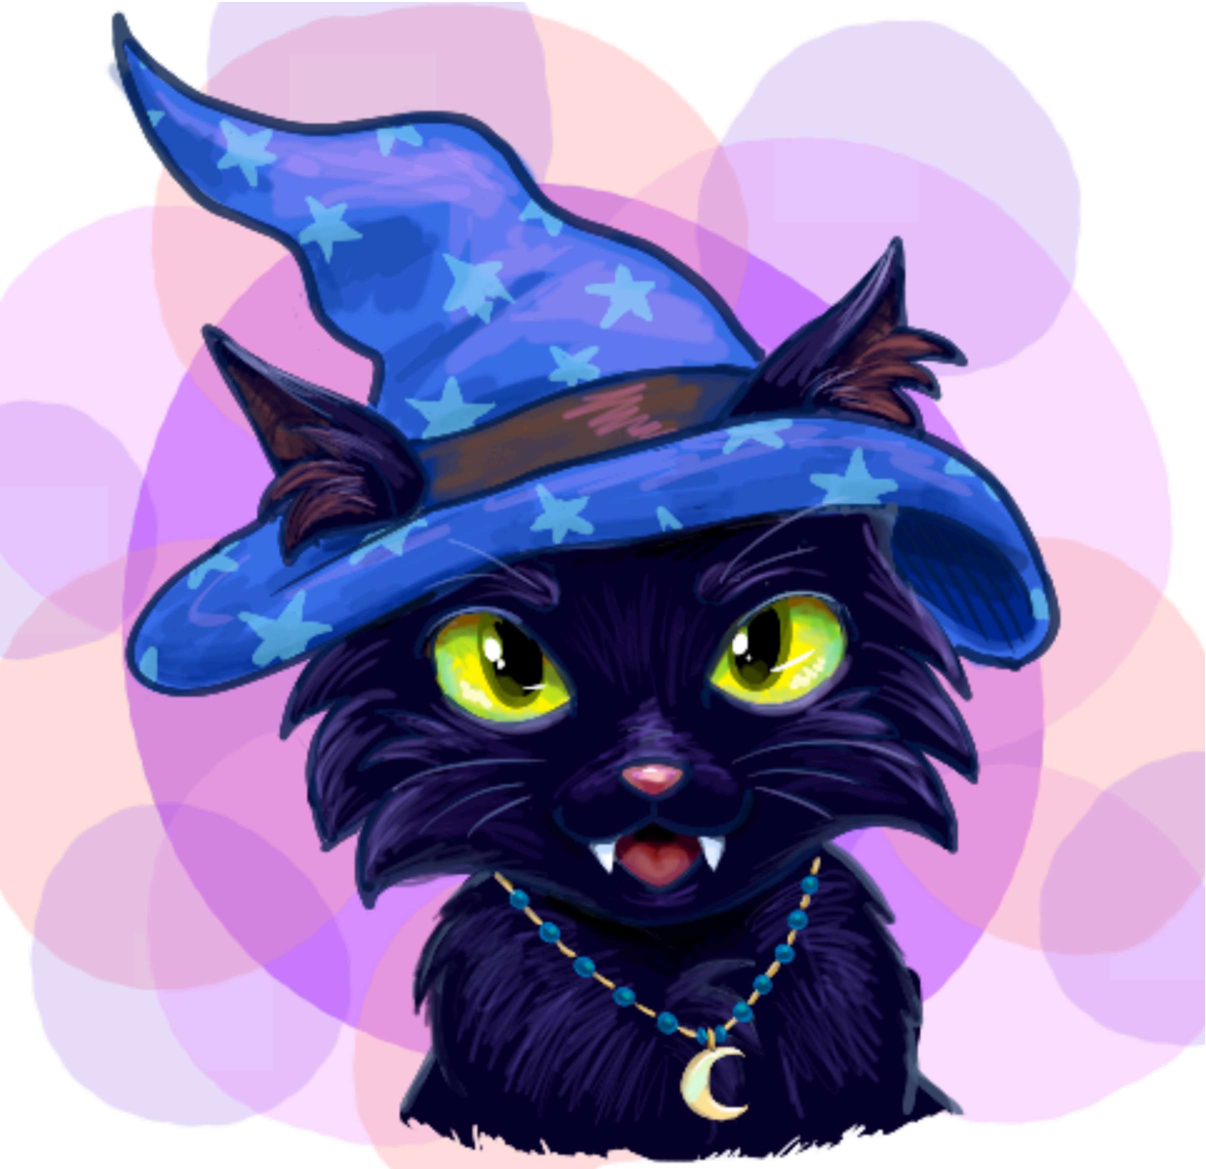
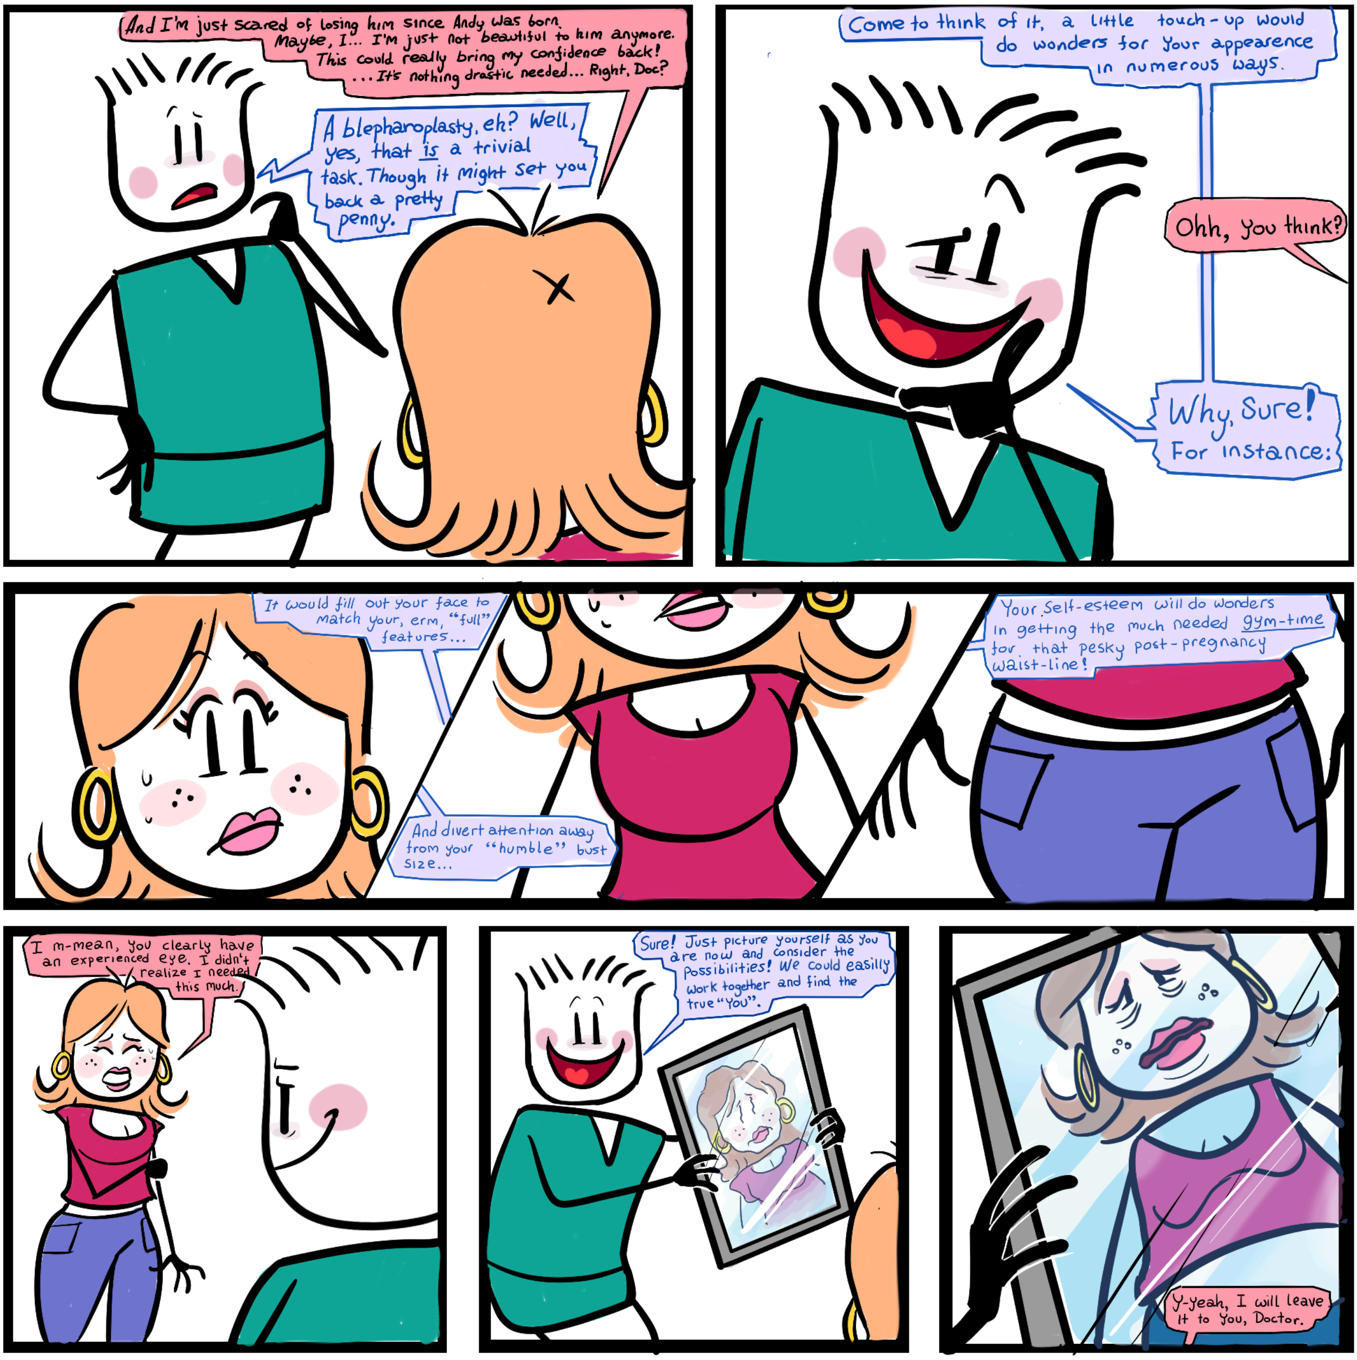
Yakko/Yakko's abusive game as a way of artistic expression:

Yakko may see **Smite's death** as **inspiration** && way to creatively **express herself** as she tended to do on her **"Yakko"-persona** when it came to **her favorite little kitty kat doll** "**Max/Meow**" (colored by Max) In **August** of **2022** when **Yakko** was **speaking** to **Max** on the "**Benevolent/Fern**" **persona** she **drew** me a **steam profile picture**..



After Max pointed out that **one of Fern’s drawings** of himself hooked up to a **nebulizer** seemed **eerily similar** to the way the **“Yakko” persona draw themselves. Yakko switched** to depicting the “**Benevolent/Fern**” **persona** as a **stick figure**.



And I'm just scared of losing him since Andy was born. Maybe, I... I'm just not beautiful to him anymore. This could really bring my confidence back! ...It's nothing drastic needed... Right, Doc?
A blepharoplasty, eh? Well, yes, that is a trivial task. Though it might set you back a pretty penny.
Come to think of it, a little touch-up would do wonders for your appearence in numerous ways.
Ohh, you think?
Why, Sure! For instance:
It would fill out your face to match your, erm, “full” features...
And divert attention away from your “humble” bust size...
Your Self-esteem will do wonders in getting the much needed gym-time for that pesky post-pregnancy waist-line!
I m-mean, you clearly have an experienced eye. I didn't realize I needed this much.
Sure! Just picture yourself as you are now and consider the Possibilities! We could easilly work together and find the true “You”.
Y-yeah, I will leave it to you, Doctor.

Max and the **“Yakko” && “Fern” persona’s would also bond over art** and **exchange projects** or **share tips throughout 2023**.

(Yakko never helped me with this piece but we bonded over it).

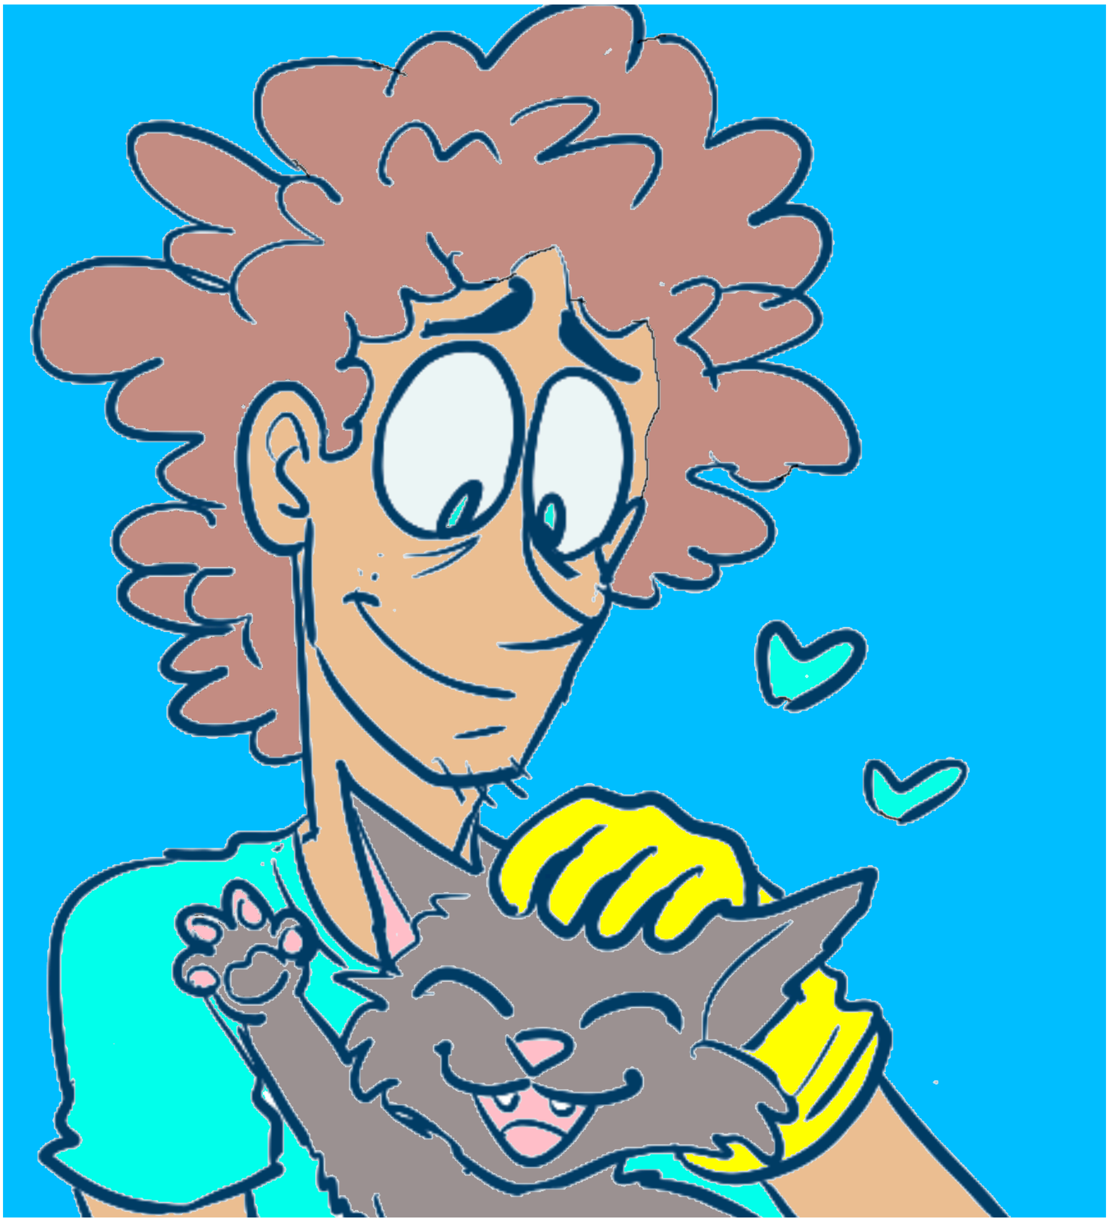
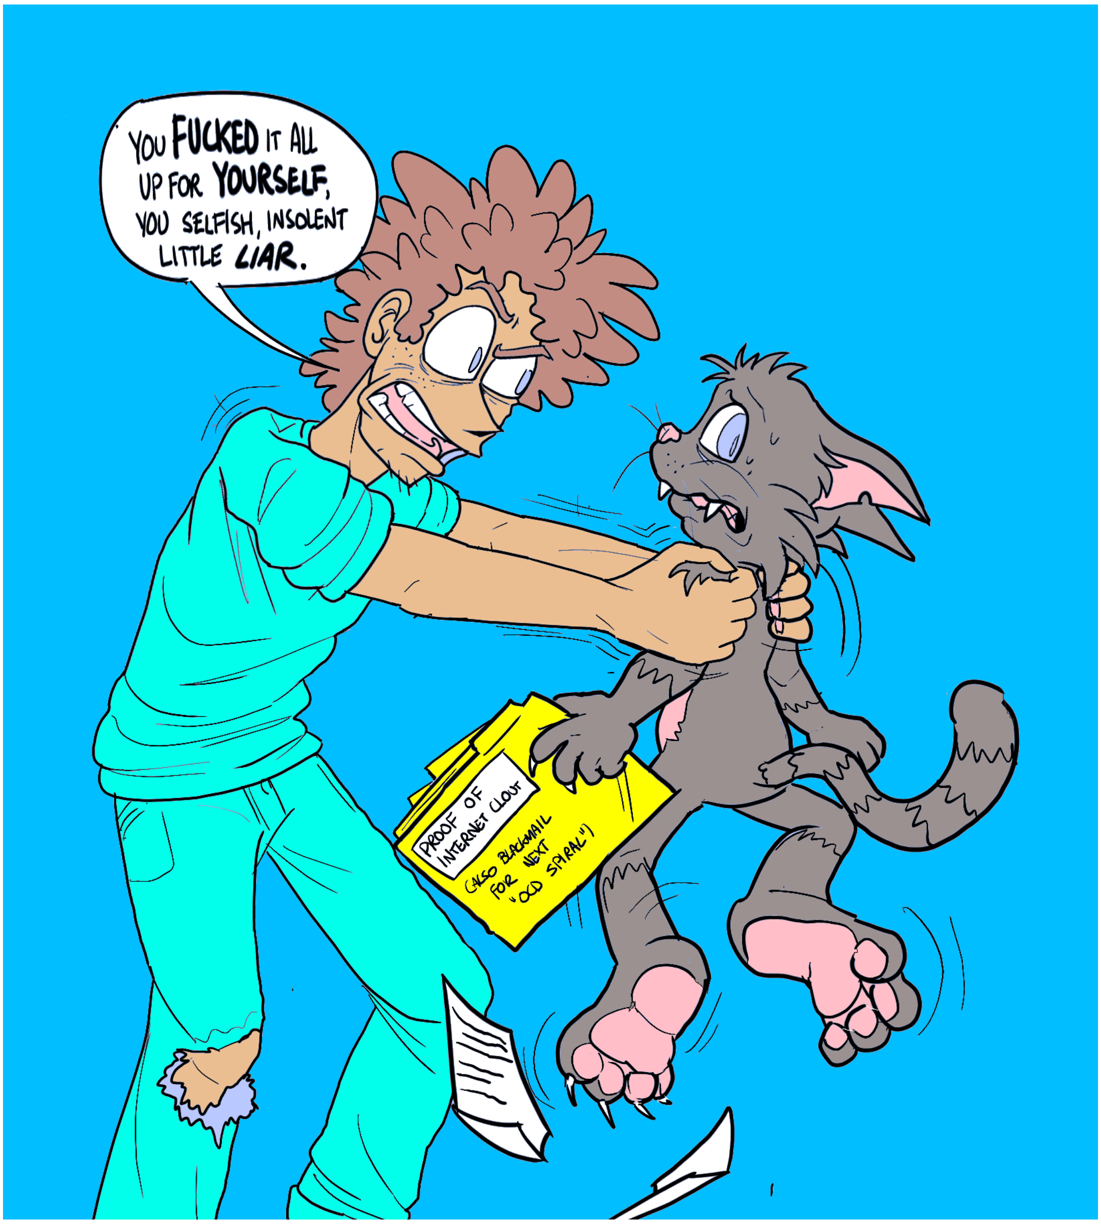
Max/Meow reconciliation with the “**Yakko**” **persona** early 2023

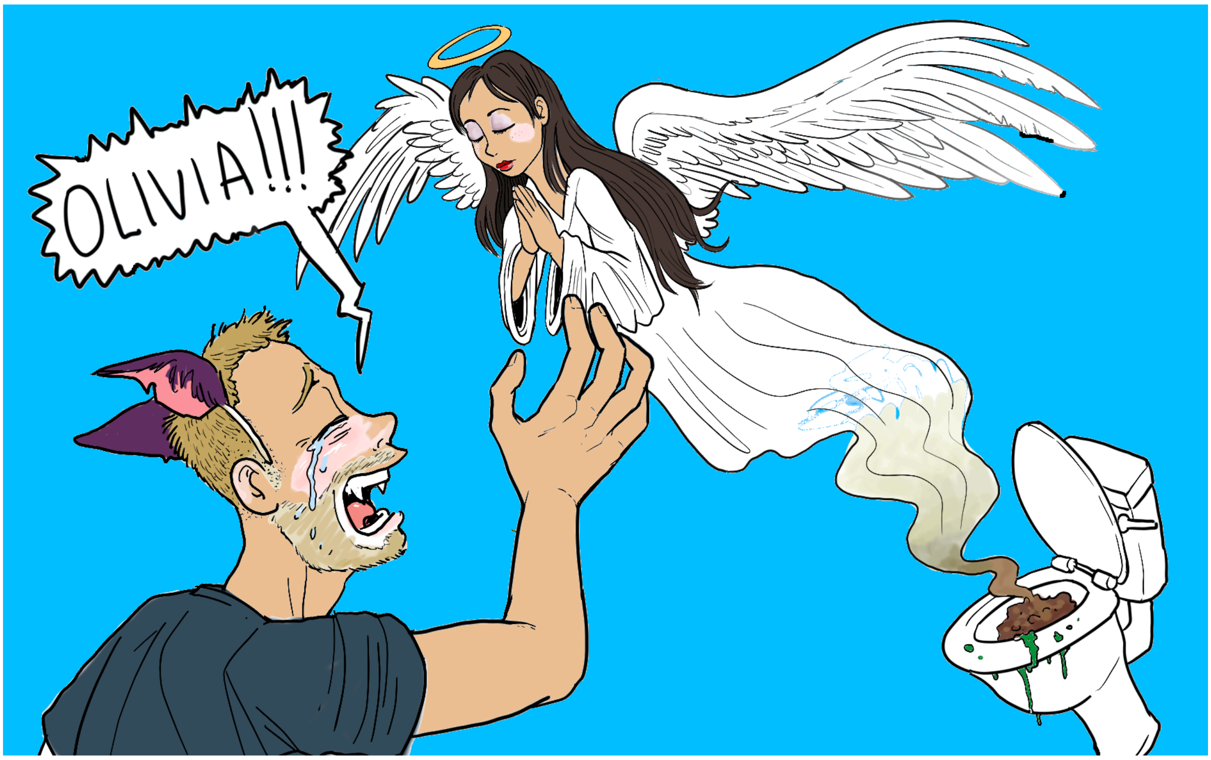


Yakko/Yakko’s choking of **Max/Meow** in **cat form** holding a **little yellow folder** that reads “**Proof of social clout**” && (**Blackmail** for next **“OCD Spiral”**) after I **showed DaveDerSadboi** a **screencap** from **Max** && “**Yakko**” **persona’s private server where** we **spoke daily** for **months**.

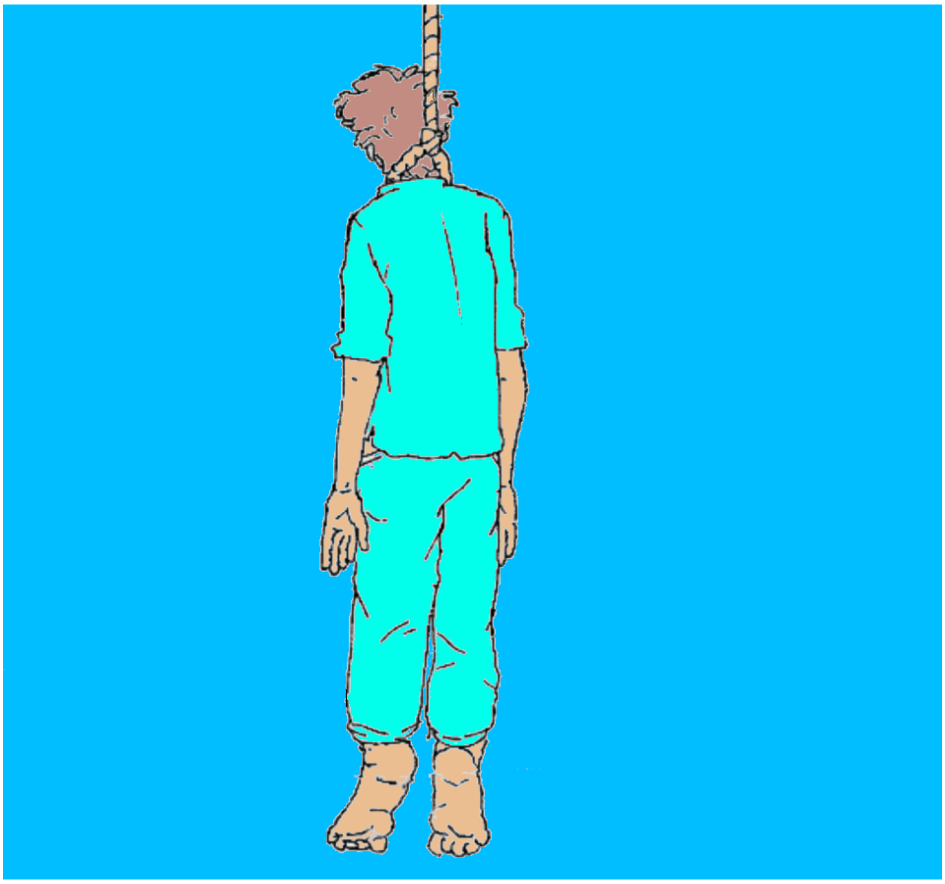


YOU FUCKED IT ALL UP FOR YOURSELF, YOU SELFISH, INSOLENT LITTLE LIAR.
PROOF OF INTERNET CLOUT
(ALSO BLACKMAIL FOR NEXT "OCD SPIRAL")

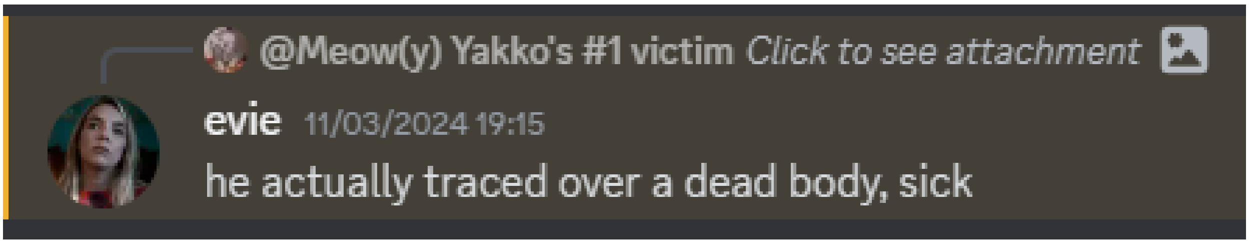
The “Yakko” persona was aware of my **limerence && long-term grief regarding Liv** as well as my **clogged toilet (which I unclogged on stream in ‘Society’ whilst Yakko** was likely **watching on an alt)**



Yakko dropped this **doodle** (which I **coloured**) in Society's general chat during a time my **suicidality** was at an all time peak. I **found it a little odd** but the **"Yakko"-persona** was **one of my closest friends** so I wrote it off as "**Schizo behavior**" **not** something **deliberate** or **malicious** but in **hindsight Max** was **TRULY one oblivious bean** ….



Evie pointed out **3 days** before **Yakko revealed** herself to **Max** in **Society** that **Yakko** traced a **dead body** to **create** this **doodle**.



@Meow(y) Yakko's #1 victim *Click to see attachment*

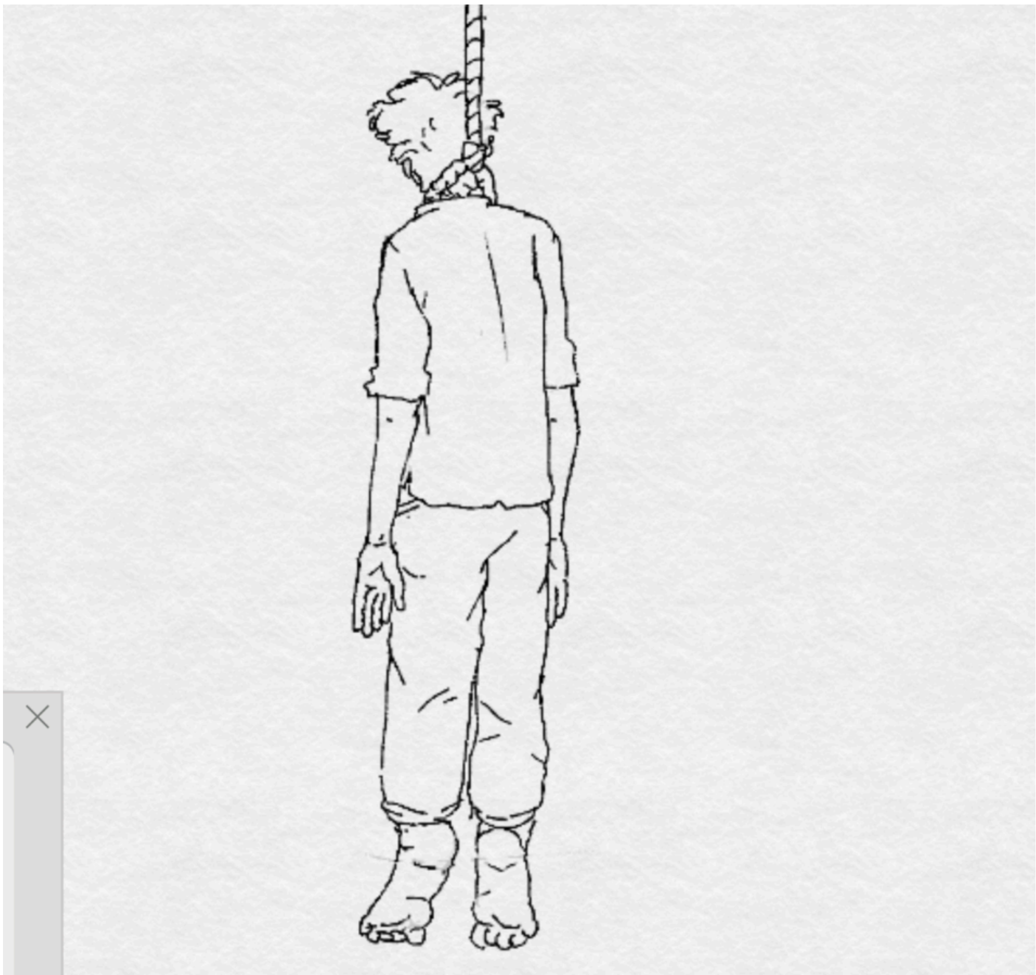
evie 11/03/2024 19:15

he actually traced over a dead body, sick

Yakko’s intentions to drive Max to suicide

Yakko nearly drove me to take my life which displays her **INTENT**:

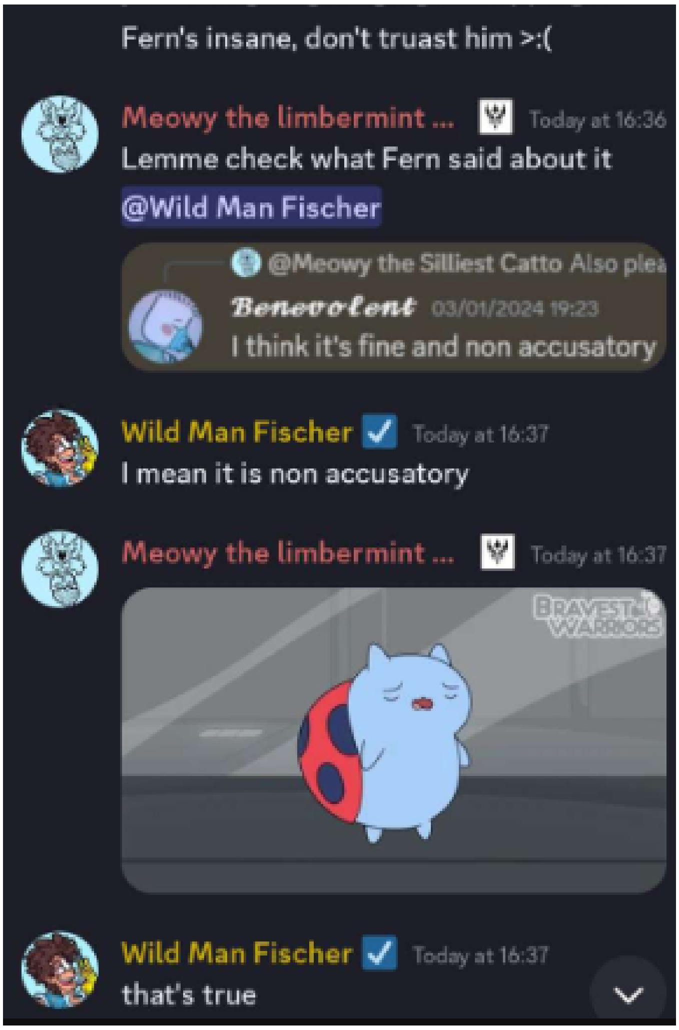
(**Yakko. traced a dead body**) && **drew** a **noose** as **I mentioned death** by **hanging** in what was my **suicide note** which **Yakko DISTRIBUTED across the internet including forums** such as **KiwiFarms** (the Yakko **persona** was always an **avid KiwiFarms user**).



The “**Yakko” persona** would later tell Max her **“KiwiFarms” friends** requested the videos of **his breakdown** (which Max never mentioned in the suicide note that **Yakko/Yakko distributed online**).

Another lie/manipulation.

Here’s **Yakko** on the **Yakko/Benevolent “grading” my suicide note** since I **asked Fern/Benevolent to proof read it in case it might cause Liv trauma** as she’s a **big softie** && **we were close for so long** so I felt **it might affect** her **in a really bad way** as **my love for her** is **genuine**.



Fern's insane, don't truast him >:(

Yakko on her “Benevolent” account the day of Max’s “suicide”, the 4th of January 2024

A **few days prior**, **Max informed Yakko** on her “**Benevolent**”**-persona**

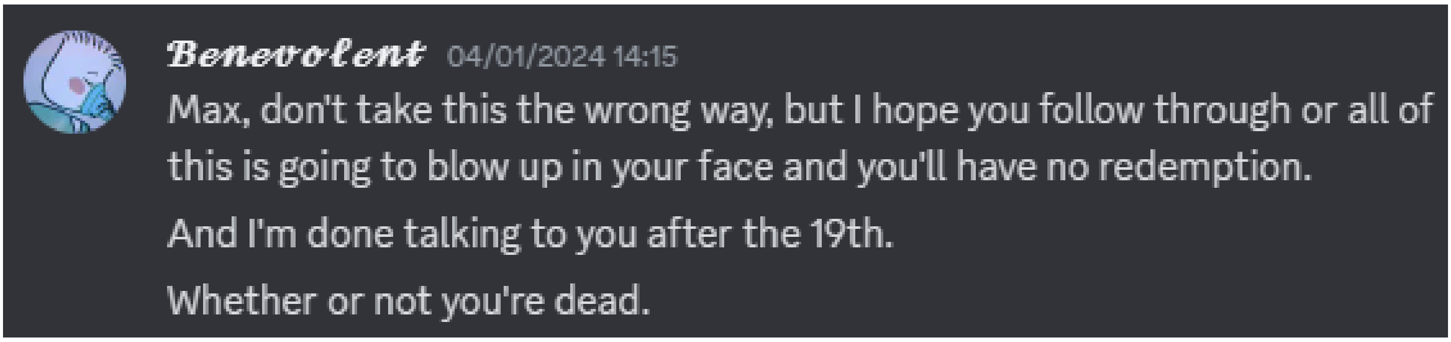
that **their presence in my life was vital** and **kept me alive**. Here **Yakko**

also tries to **convince Max** that **once** this **“note” goes viral**, which **Yakko**

helped spread on KiwiFarms, **Max** will have **NO redemption** playing

on his **Ypres in 2022** when **Max was stuck for 8 months** due to Yakko.

Please listen to the **recording** “**YakkoAdmitsToDoxxingMax.mp4”**



Benevolent 04/01/2024 14:15

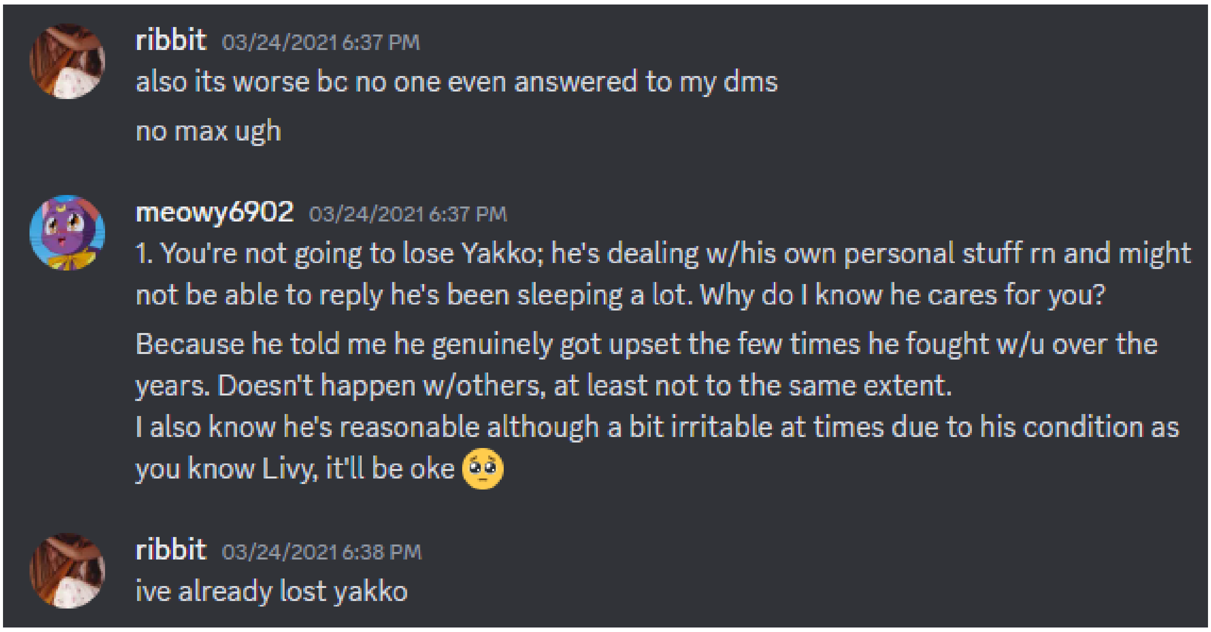
Max, don't take this the wrong way, but I hope you follow through or all of this is going to blow up in your face and you'll have no redemption.

And I'm done talking to you after the 19th.

Whether or not you're dead.

Yakko’s deliberate destruction of Max && Liv’s friendship over the course of 2021

March 2021, Max consoles Liv, goes around asking others to chat with her (which cheered her up) && reassures her she won’t lose contact with Yakko && then mediates the whole situation to ensure Liv remains friends with Yakko (whom seemed like a positive influence at the times) whilst Yakko whom was preparing to isolate Liv and speak to her across multiple accounts told others we had a “unhealthy codependent friendship”.



ribbit 03/24/2021 6:37 PM

1. You're not going to lose Yakko; he's dealing w/his own personal stuff rn and might not be able to reply he's been sleeping a lot. Why do I know he cares for you?
Because he told me he genuinely got upset the few times he fought w/u over the years. Doesn't happen w/others, at least not to the same extent.
I also know he's reasonable although a bit irritable at times due to his condition as you know Livy, it'll be oke 🥺

I mean lol multiple incidents

Donny 05/21/2021
he mentioned that he was concerned for you in relation to what seemed like an unhealthy co-dependent relationship with liv but that is all i can remember

April 2021, Max also tells Liam and others that Liv pushed me to say I’m matching with her (my sis) as I didn’t want to make it seem weird as Yakko was trying to publicly push “one way toxic dependency” which it obviously wasn’t but those seeds were planted into Liv’s subconscious nonetheless.

ribbit 12/02/2021 3:27 PM
i'm naive, self doubtful and people use that to their advantage a lot.

May 1st 2021, Yakko purposefully triggers Liv && gaslit her into believing she can’t have healthy relationships with men && pretends to be upset to block Max to trigger him then Liv internalizes whatever BS Yakko told her then goes off on a tangent/spiral about how our pretty wholesome friendship until that point is unhealthy, toxic, and destructive. Yakko is also upset that she can't control me or isolate Liv whilst I’m there since I’m literally going around asking people to speak to her. (after she told me no one even replied to her DMs) which cheered her up.

28th of May 2021, **Yakko baits Max/Meow** in **“#house nsfw channel** && tips sentiments **against me for “doomposting” past the breaking point** then **uses it to smear me**.

June 2021, Yakko uses “suicide” attempt as a way to signal to everyone they’re on bad terms with Max/Meow by purposefully leaving him out of the message.

Despite this, Max at the time asked Olivia for help out of concern for “Yakko”-persona’s well-being.

Yakko also continues to publicly smear me && the bond I had with liv for a year despite not being involved or close to either of us. All this ever did was cause everyone involved heaps of unnecessary stress and I suspect the way she saw the both of us this was calculated to errode/damage our friendship over time.

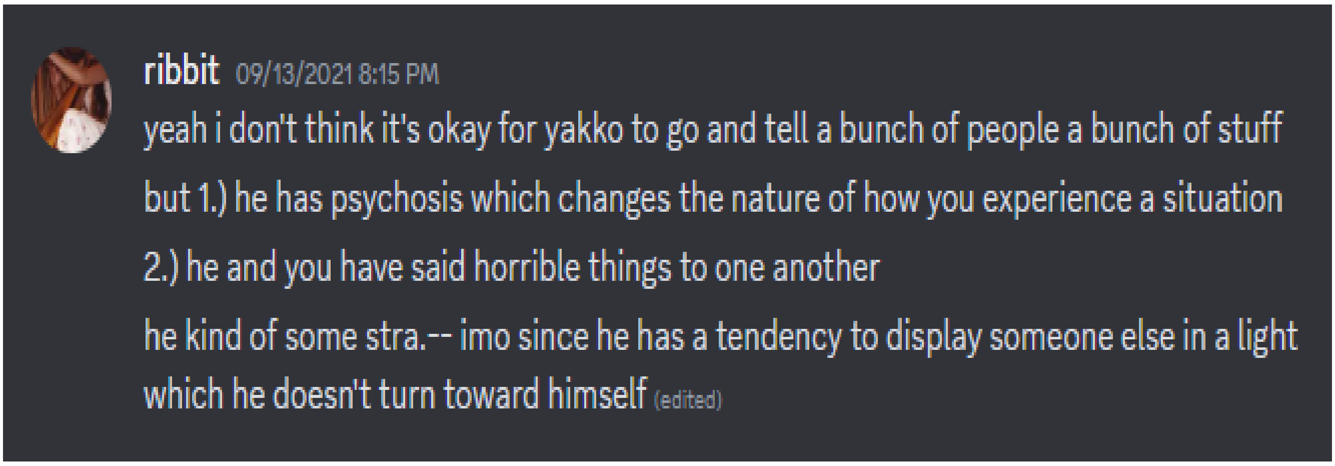
late 2021,Max's recovery at Ghent is sabotaged by Yakko constantly playing on my OCD and reliance on this one community.



ribbit 09/13/2021 8:15 PM

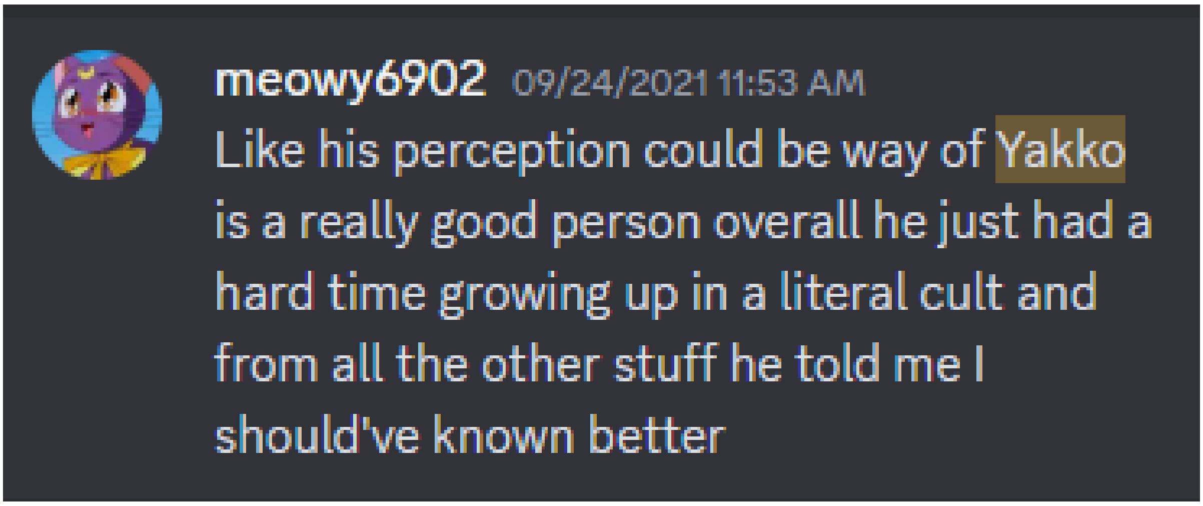
yeah i don't think it's okay for yakko to go and tell a bunch of people a bunch of stuff

but 1.) he has psychosis which changes the nature of how you experience a situation

2.) he and you have said horrible things to one another

he kind of some stra.-- imo since he has a tendency to display someone else in a light which he doesn't turn toward himself (edited)

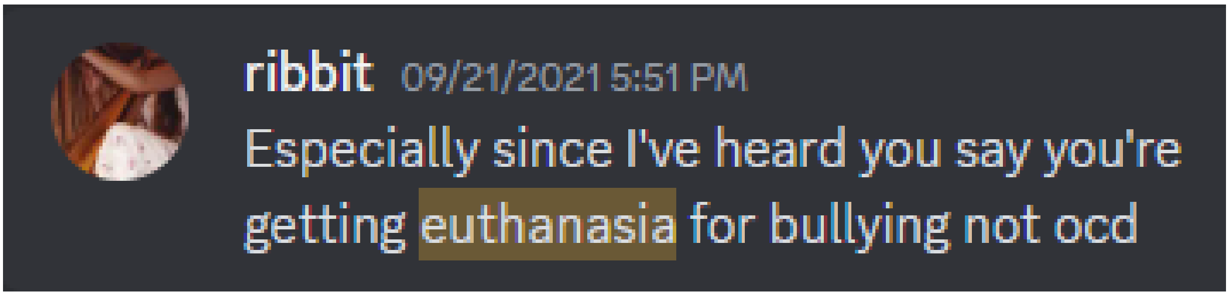
Max continue to blame himself && defend the Yakko persona (lol).



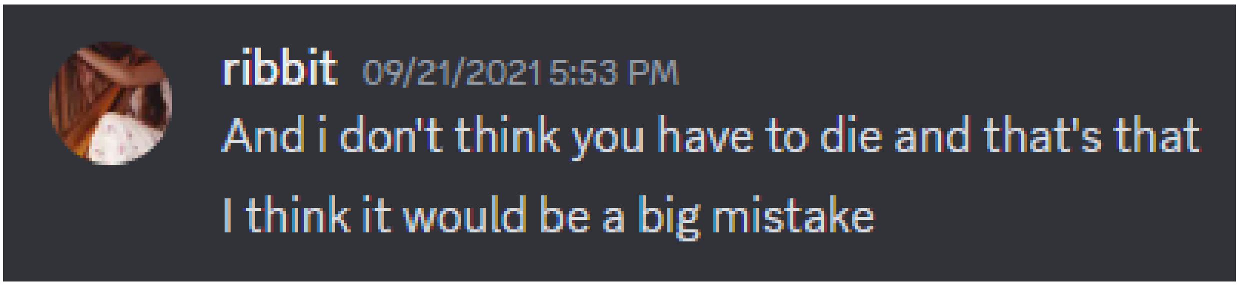
meowy6902 09/24/2021 11:53 AM

Like his perception could be way of Yakko is a really good person overall he just had a hard time growing up in a literal cult and from all the other stuff he told me I should've known better

late 2021, Max told Liv the main reason he went to the EUTHANASIA clinic was the whole Yakko && MJ (partially caused by Yakko too) Moon Chimps Media situation NOT my OCD:

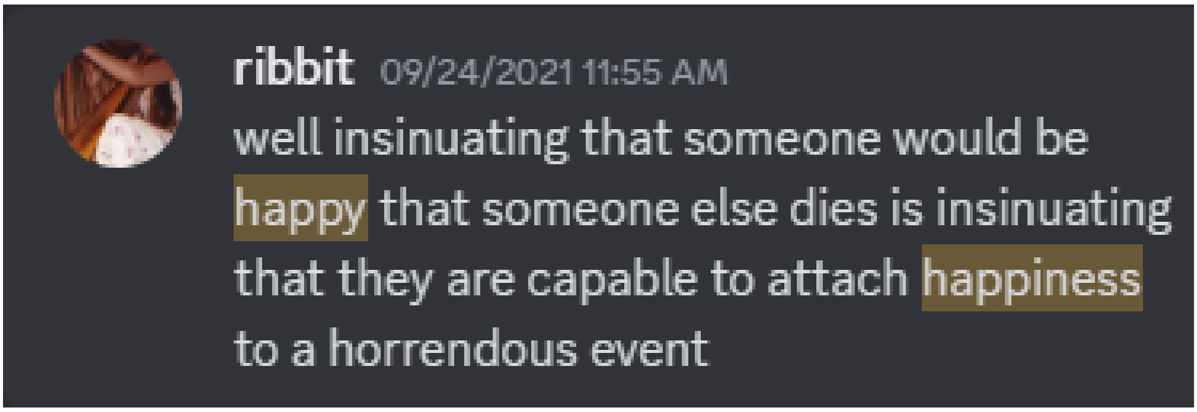


ribbit 09/21/2021 5:51 PM
Especially since I've heard you say you're getting euthanasia for bullying not ocd



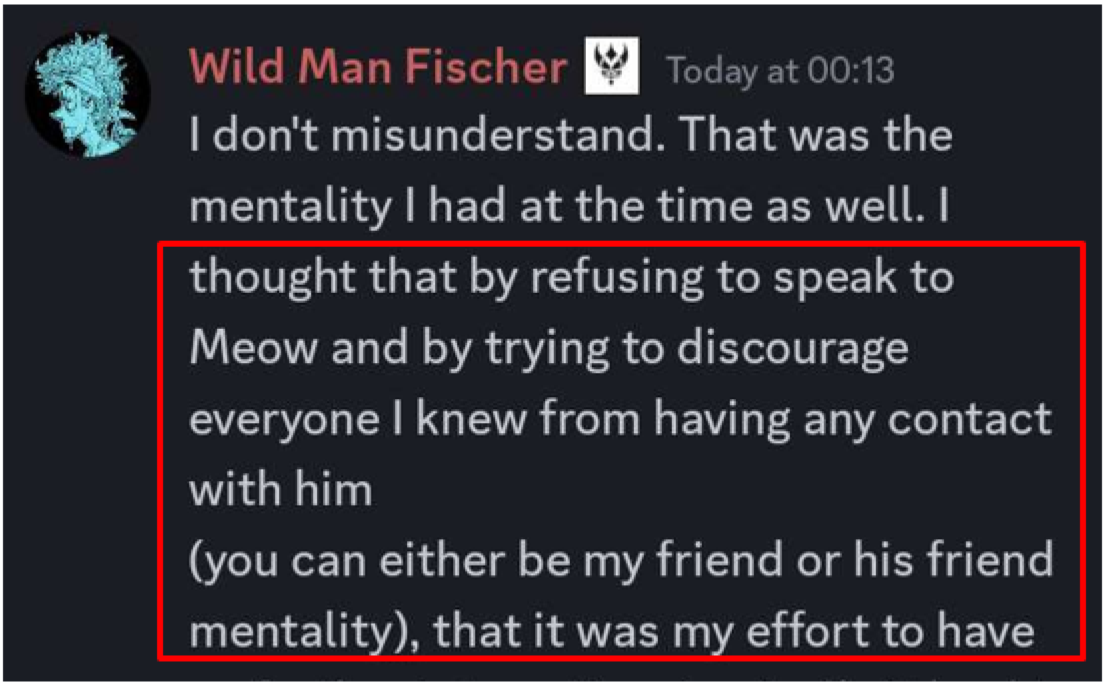
ribbit 09/21/2021 5:53 PM
And i don't think you have to die and that's that
I think it would be a big mistake

Liv claims to know Yakko && said she wouldn’t be happy if I died as the person behind the Yakko account is doing their best to drive me into isolation (then death) and destroy my life (&& groom Liv).



ribbit 09/24/2021 11:55 AM
well insinuating that someone would be happy that someone else dies is insinuating that they are capable to attach happiness to a horrendous event

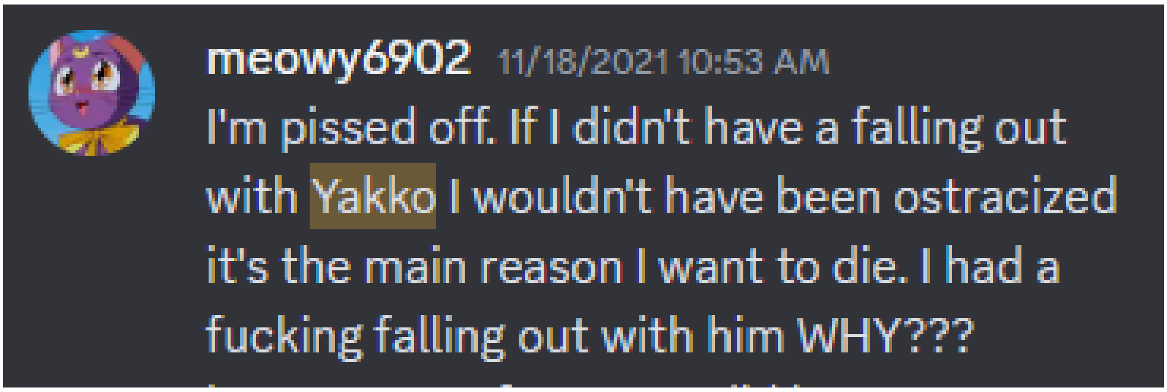
September 2021, Detective Pyro joins **MCM**, asks **where Meow** is, **Yakko immediately jumps** at the **opportunity** to **smear Max** && **groom Pyro** and then **they both create “OZONE”** an **anti-meowy coalition server** and **engaged in a months long smear campaign** which **made me suicidal in late 2021**.



Wild Man Fischer Today at 00:13

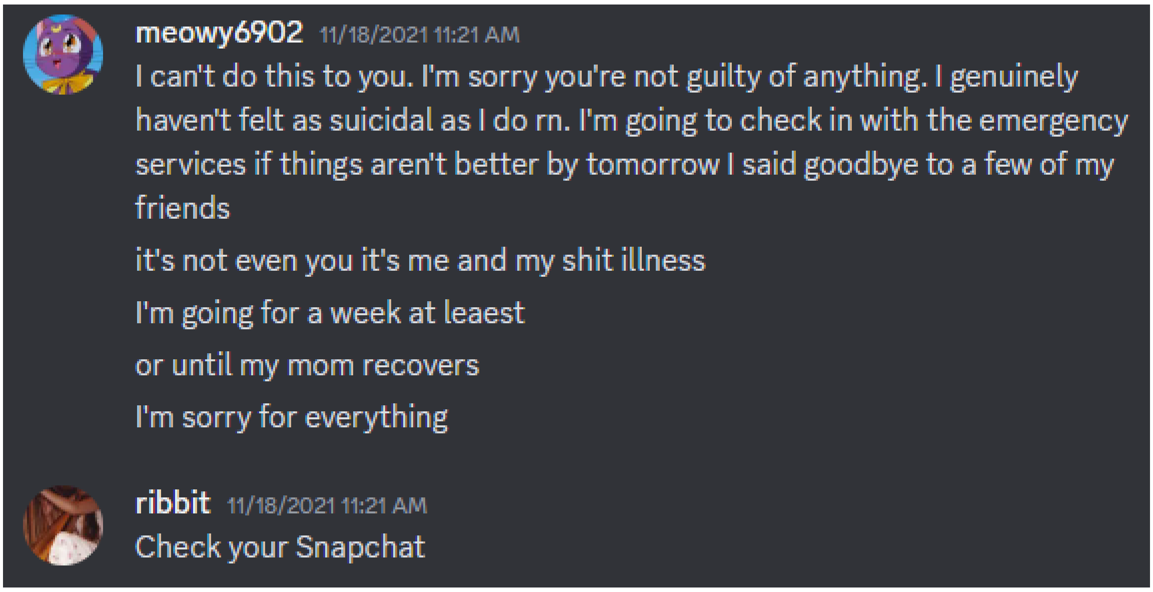
I don't misunderstand. That was the mentality I had at the time as well. I thought that by refusing to speak to Meow and by trying to discourage everyone I knew from having any contact with him
(you can either be my friend or his friend mentality), that it was my effort to have

18th of November 2021, Max throws a HUGE fit in Liv’s DMs accusing her of being the main culprit behind the Yakko/Max chism.



meowy6902 11/18/2021 10:53 AM

I'm pissed off. If I didn't have a falling out with Yakko I wouldn't have been ostracized it's the main reason I want to die. I had a fucking falling out with him WHY???



meowy6902 11/18/2021 11:21 AM

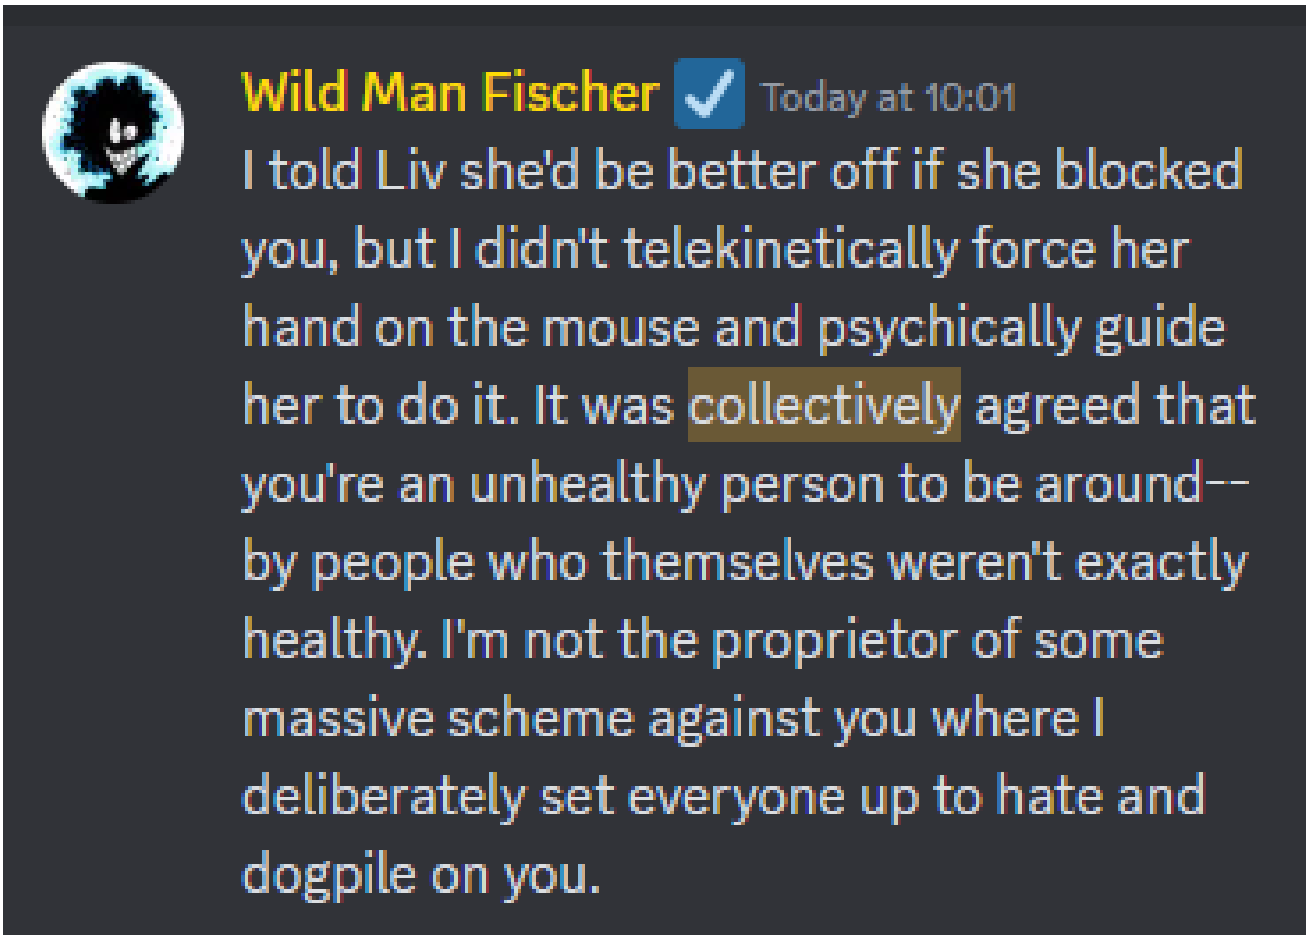
Yakko later admitted to Max she’d have been surprised if it had “ended any different” knowing the things I struggle with as well as Liv’s personality. I think in hindsight me and Liv (&& others) would’ve likely just stayed good friends to the day I type this without all the calculated drama, freak outs, and gatekeeping by Yakko.

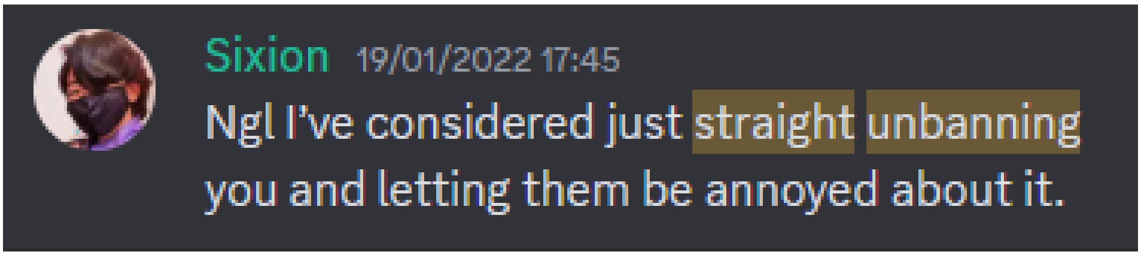
January 2022, Yakko manipulates Olivia into severing ties with Max later admitting on the “Casablanca” persona that had all those traumatic things never happened maybe Max wouldn’t have done anything to cut off liv and it wouldn’t have had that compounding effect of Liv leaving and Max would’ve made a smooth recovery. .



Wild Man Fischer ✓ Today at 10:01

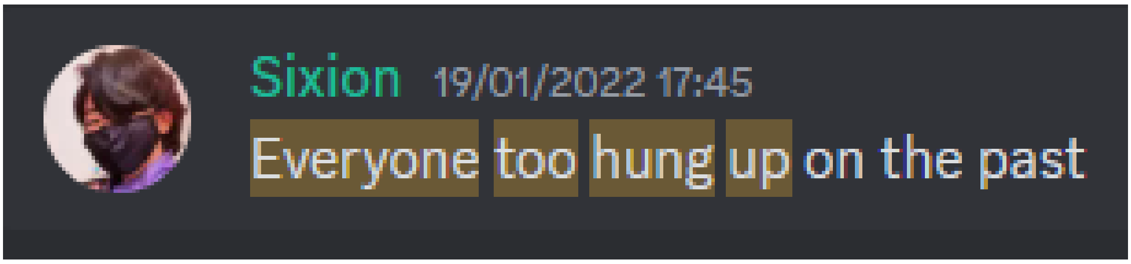
I told Liv she'd be better off if she blocked you, but I didn't telekinetically force her hand on the mouse and psychically guide her to do it. It was collectively agreed that you're an unhealthy person to be around-- by people who themselves weren't exactly healthy. I'm not the proprietor of some massive scheme against you where I deliberately set everyone up to hate and dogpile on you.

Reason all of us didn’t reconcile right there-and-then early 2022 was the “Yakko” persona’s influence and“faux” animosity towards Max. Max central in “Sweet Home” (which had 80% of the old staff by that point) and Yakko was central in “Ozone” && “MCM/RTR”. I was willing to mesh the two groups and move on together.



Sixion 19/01/2022 17:45

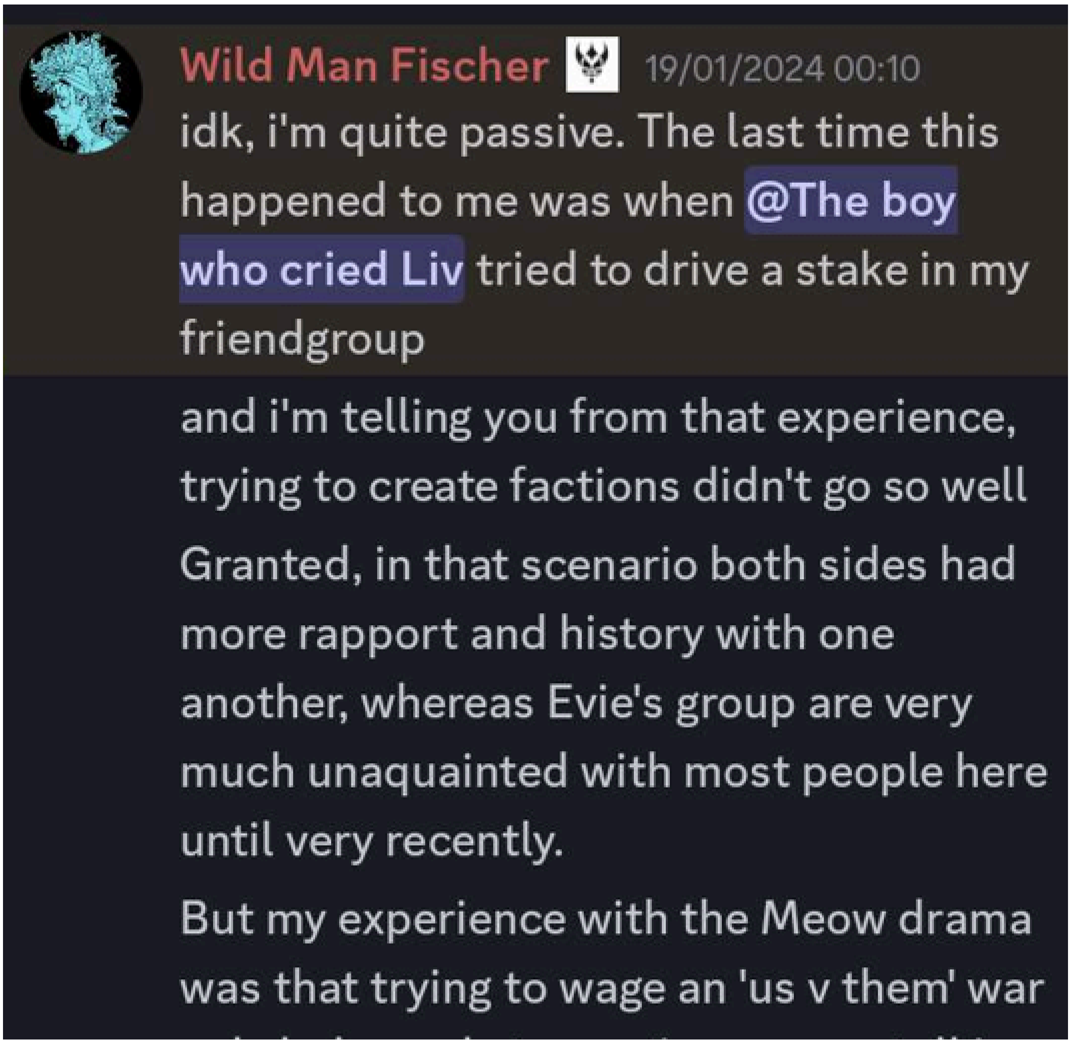
Ngl I’ve considered just straight unbanning you and letting them be annoyed about it.



Sixion 19/01/2022 17:45

Everyone too hung up on the past

It honestly seems like **Yakko** wanted to **wipe the slate clean** && drive a **stake into the old group** which Max still had **heaps** of **good will** and **rapport** with in **order to craft a group** through which she had **TOTAL** control over **Liv's** social life.



Wild Man Fischer 19/01/2024 00:10

idk, i'm quite passive. The last time this happened to me was when @The boy who cried Liv tried to drive a stake in my friendgroup

and i'm telling you from that experience, trying to create factions didn't go so well

Granted, in that scenario both sides had more rapport and history with one another, whereas Evie's group are very much unaquainted with most people here until very recently.

But my experience with the Meow drama was that trying to wage an 'us v them' war

Yakko also wanted to demonize me as much as **humanly** possible to **Liv's new friends** as an **additional layer** of **obstruction** to **ensure Max** && **Liv** would **NEVER reconcile neutralizing Max** as a **threat** to her **grooming** as well as validation seeking schemes. Here the "Benevolent"/"Fern"-persona tells me …

Wild Man Fischer ✓ Today at 03:53

@Uncle Baron i was actually harassed by max during his mental spiral from 2021-2022 when he was saying i was super possessed and demonic and how i was the reason why he wanted to kill himself in addition to the liv ostracisation

Remember **Yakko’s** harassment, stalking, and doxxing of Max on the “Angel”-persona. Huge projecting on Yakko’s part.

Conclusions to this section

No one outside of the “Yakko cabal” sees Max as evil or “psycho” nor does Yakko herself, ironically enough, and Liv has to justify it to herself by distinguishing between “old Max” (superficially unhinged but also a kind gentle bean) && “new Max” (INSANE Schizo Neo Nazi psychopath!!!)

At the end of the day. it was just a ploy to separate Max from Olivia as I was “**THE**” main threat to Yakko’s ploy of grooming Olivia.

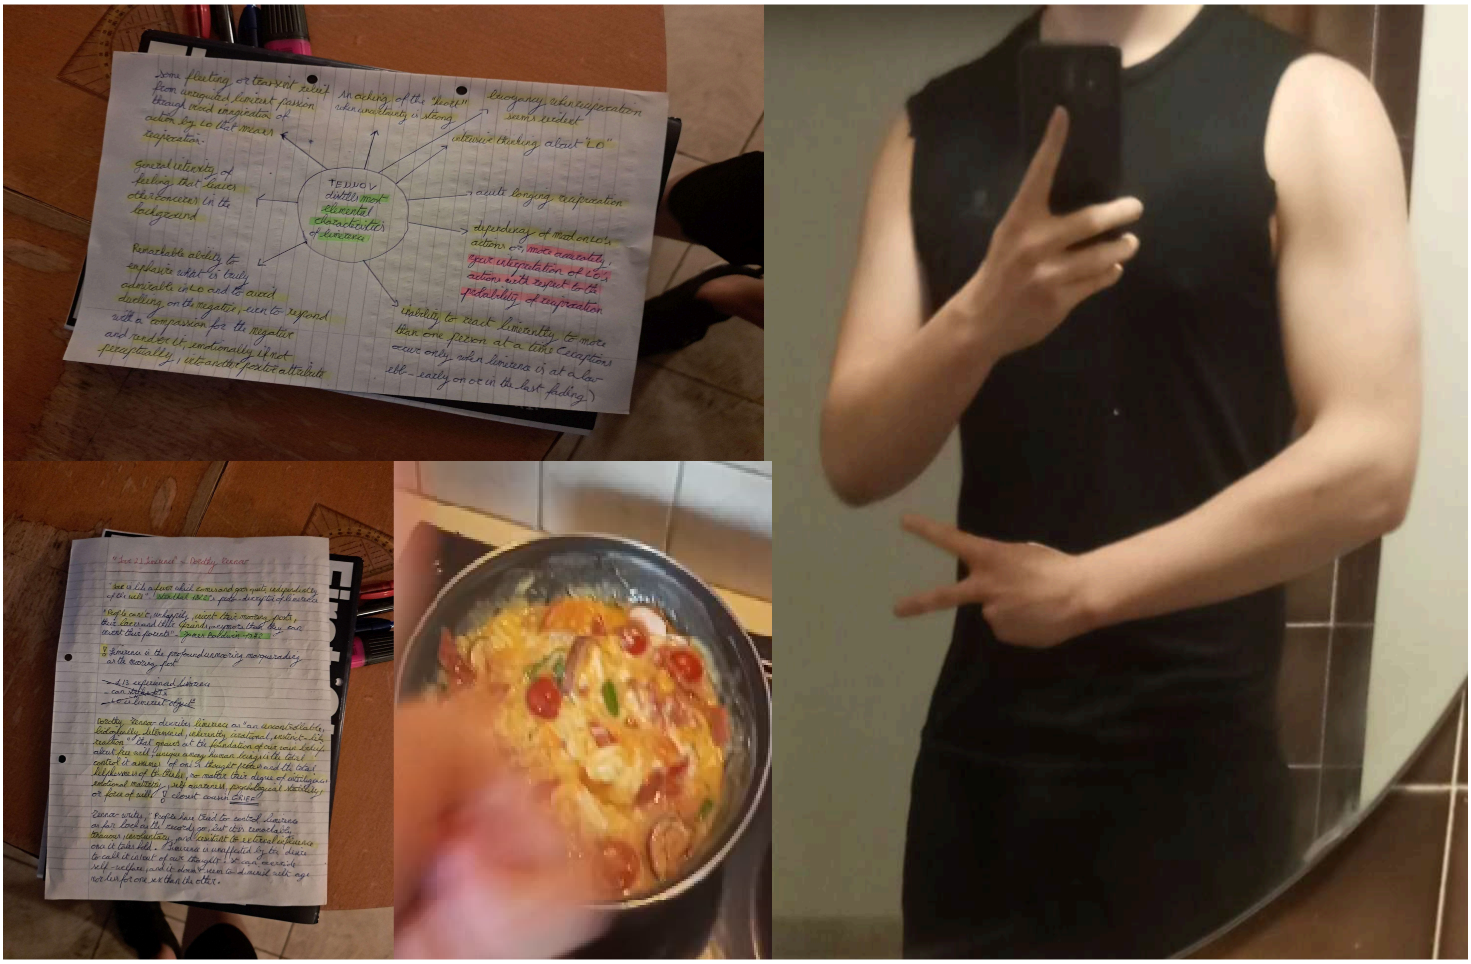
Yakko gaslit me quite heavily into believing that **everything** was **ENTIRELY** my **fault** and that it was up to me to “**improve**” so I went **adventuring** with **Discordians** in real life in **Ghent**, **fitness journey** at the **gym**, **offering** to **help friends** get their **GED**, **exploring urban areas** looking for **art** to **show** to **Yakko** (&& **adjacent communities Yakko invited** me to such as "**Art Cafe**"), **cooking** up **Yakko’s omellete** (**YakkoOmelleteMaxMade.mp4**).

To **shut me down** and **stop me** from **questioning the narrative**.



TENNOV distills most elemental characteristics of limerence
Some fleeting or transient relief from unrequited limerent passion through vivid imagination of action by LO that means reciprocation.
An aching of the "heart" when uncertainty is strong
buoyancy when reciprocation seems evident
intrusive thinking about "LO"
acute longing reciprocation
dependency of mood on LO's actions or, more accurately, your interpretation of LO's actions with respect to the probability of reciprocation
inability to react limerently to more than one person at a time (exceptions occur only when limerence is at a low ebb - early on or in the last fading)
Remarkable ability to emphasize what is truly admirable in LO and to avoid dwelling on the negative, even to respond with a compassion for the negative and render it, emotionally if not perceptually, into another positive attribute
General intensity of feeling that leaves other concerns in the background

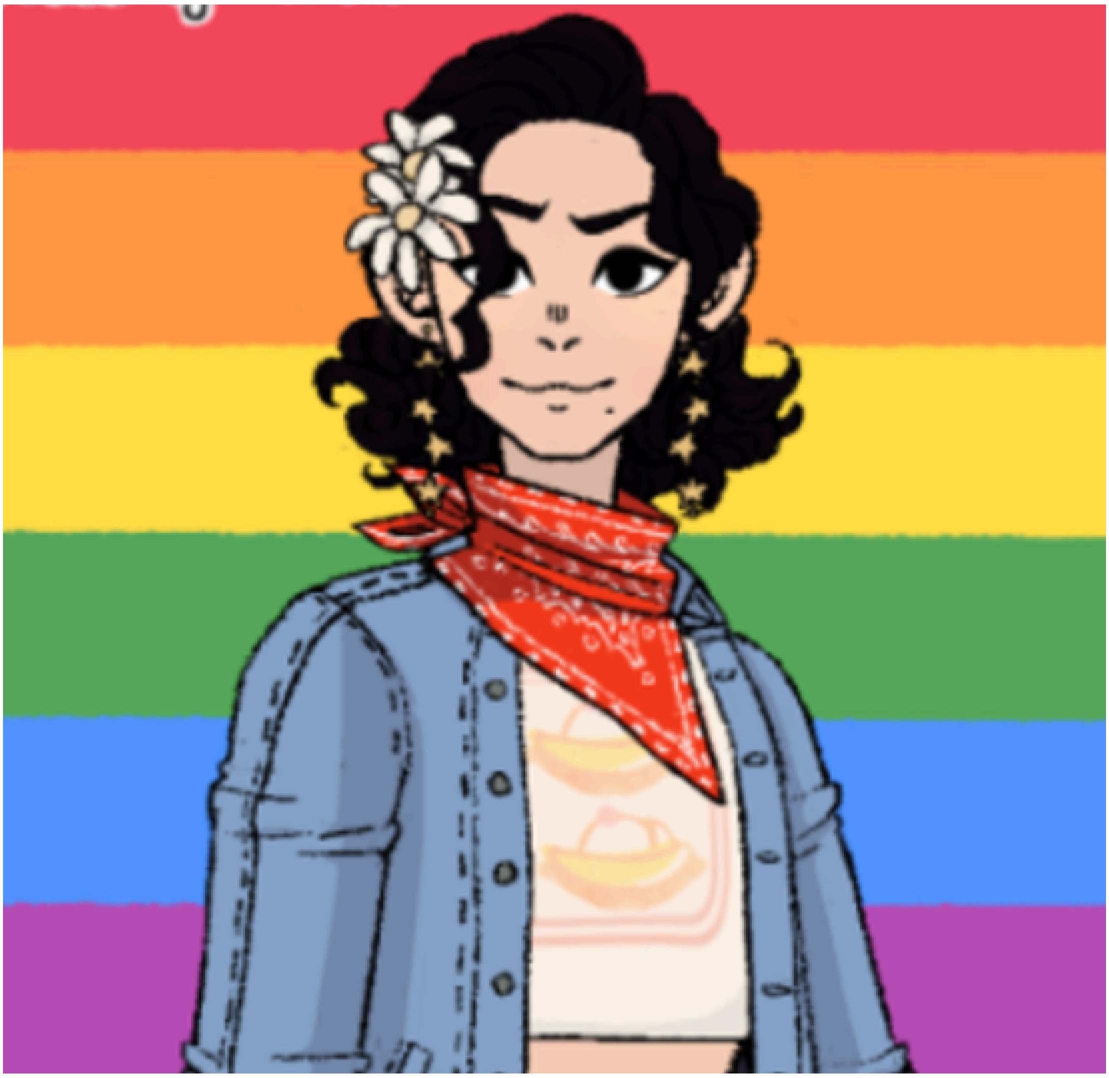
honey is cool - something above the mountains (https://www.youtube.com/watch?v=eAiqQChICZk&ab_channel=sk11kid)

I waited too long with this section so its subpar but hecks writer’s block; need to finish this document!

Once Liv asked me to depict her on this Tumblr game and she thought it was cute that I depicted her as so vibrant and lively.



Duck once said I seem very self aware. Obviously, Liv is her own person and honestly I don't think I'm possessive or that obsessed. Liv got close to me during a time where I lost a lot and she was that sibling I always wished I had. I still consider her my only family in this world although she likely thinks that's either wholesome or very disturbing/creepy depending on many facors. Generally, even if she doesn't want any contact which is entirely fair I will always love her and consider family. Her presence in this world made and makes my life better and I'm certain other people agree. I wish that if there is another life or world after I could speak to Liv again without the pain or bad karma between us.

I said everything I needed to in the 76 page goodbye note although I wanted to elaborate a little bit on what was behind this document as to me it was just a wholesome goodbye note not a “manifesto”.

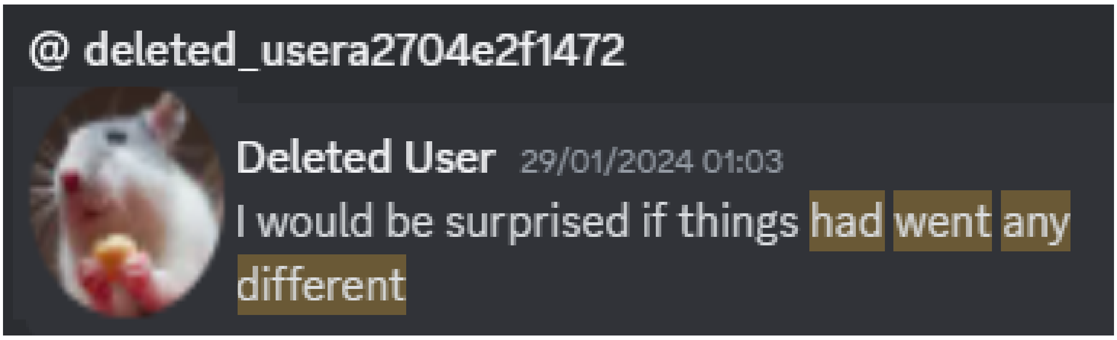
i mean its a combination of your mental illness, personality type and then on top of all that losing everyone at once

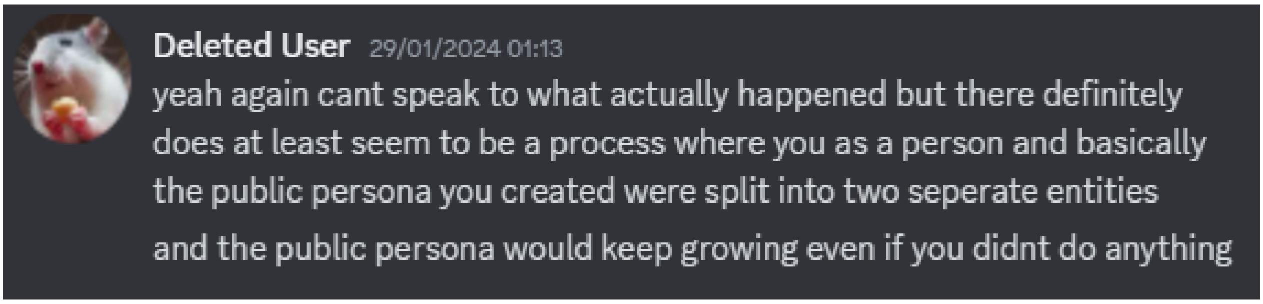


@ deleted_usera2704e2f1472

Deleted User 29/01/2024 01:03

I would be surprised if things had went any different

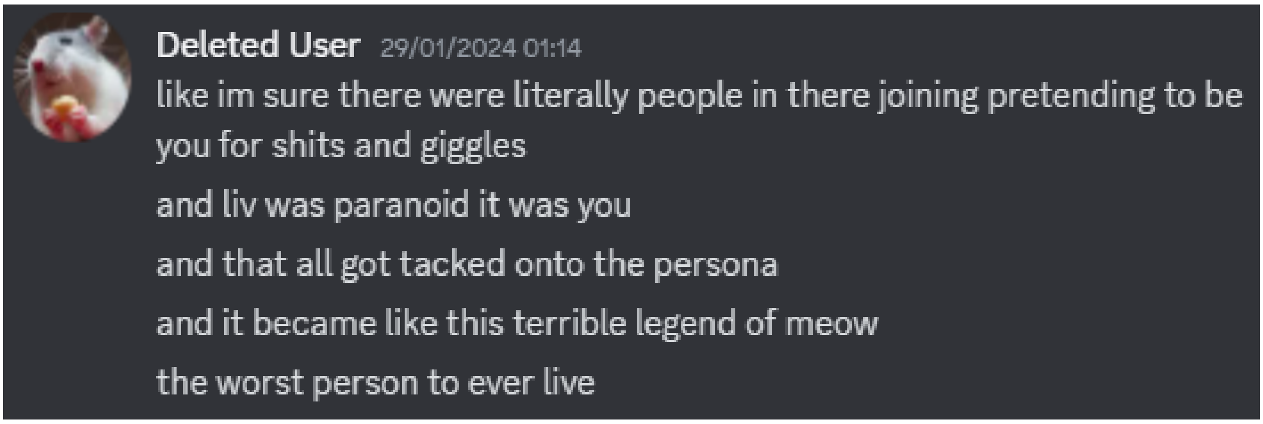
Yakko admits the real Meow and the caricature split at one point and the latter would’ve kept growing REGARDLESS of Max/Meow’s behavior e.g. the “it’s all your own fault BE A BETTER PERSON/’get help’ response (on repeat).



Deleted User 29/01/2024 01:13

yeah again cant speak to what actually happened but there definitely does at least seem to be a process where you as a person and basically the public persona you created were split into two seperate entities

and the public persona would keep growing even if you didnt do anything



Deleted User 29/01/2024 01:14

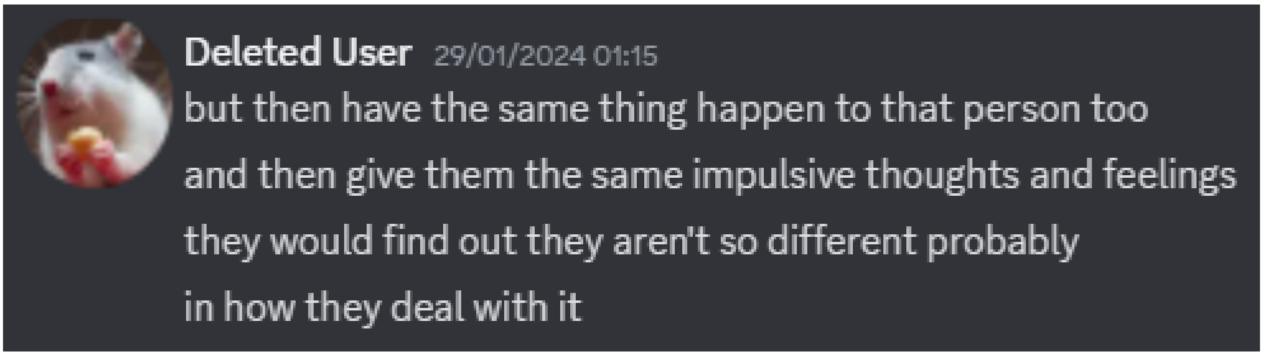
like im sure there were literally people in there joining pretending to be you for shits and giggles

and liv was paranoid it was you

and that all got tacked onto the persona

and it became like this terrible legend of meow

the worst person to ever live



Deleted User 29/01/2024 01:15

but then have the same thing happen to that person too

and then give them the same impulsive thoughts and feelings

they would find out they aren't so different probably

in how they deal with it

BUT MAX STILL THREATENED TO HANG HIMSELF ON LIV'S PROPERTY!!!

Yakko acknowledges she whipped her other victims up into a frenzy

of "righteous moral concern" since **Max** did **x, y, z** even if as a

consequence of Yakko's actions e.g. **Yakko deliberately ostracizes Max**

or **causes** a **situation** that **leads** to **despair** e.g. **Liv rejoins MCM**

publicly signaling that **Max** is now on **bad terms** with **Liv** && **Yakko's**

"Yakko"-persona -> **Max** tells **psychiatrist** he will **end it all** -> **Max** is

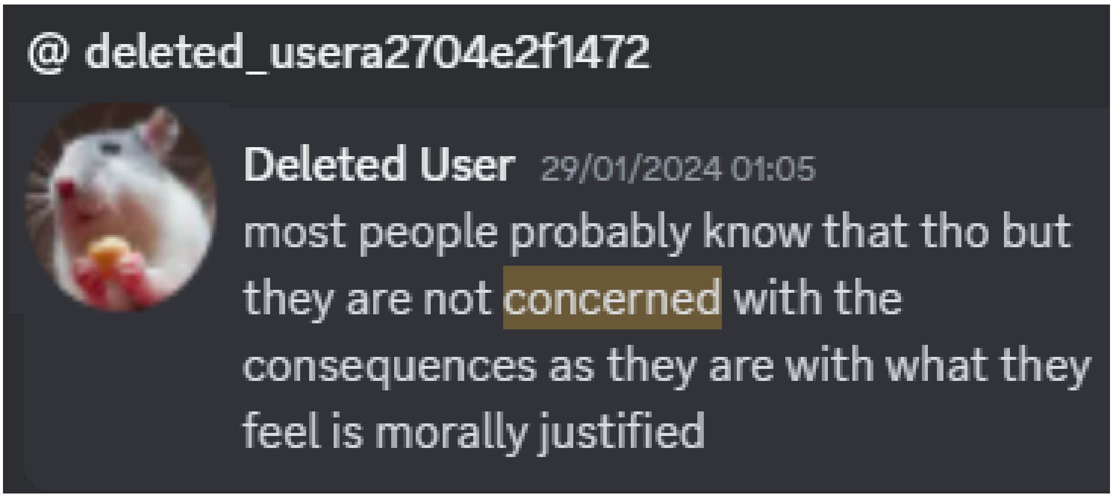
warded -> **involuntarily stay leads** to **pain** and **desperation** because

mental illness worsens and **lack of freedom** -> **Max** goes into **Sixion's**

DMs to say he will **HANG HIMSELF ON LIV's LAWN**.

Then Yakko takes that **ONE PIECE OF INFORMATION** out of the context

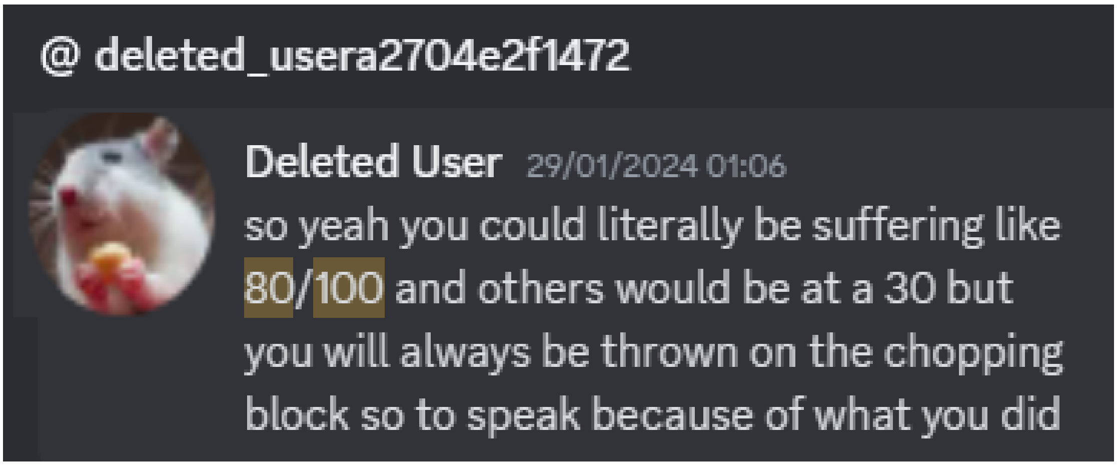
and **SPREADS THAT** to make **Max seem as deranged as possible**.



@ deleted_usera2704e2f1472

Deleted User 29/01/2024 01:05

most people probably know that tho but they are not concerned with the consequences as they are with what they feel is morally justified



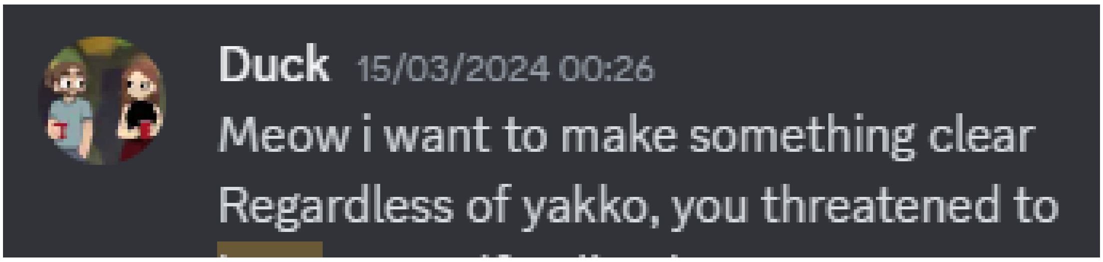
@ deleted_usera2704e2f1472

Deleted User 29/01/2024 01:06

so yeah you could literally be suffering like 80/100 and others would be at a 30 but you will always be thrown on the chopping block so to speak because of what you did

So **whenever Max raises righteous concerns or ask about liv's well-being (**BECAUSE I FUCKING **LOVE** AND **CARE** FOR **HER).**

I am **immediately shut down, here's a prime example:**



Duck 15/03/2024 00:26

Meow i want to make something clear

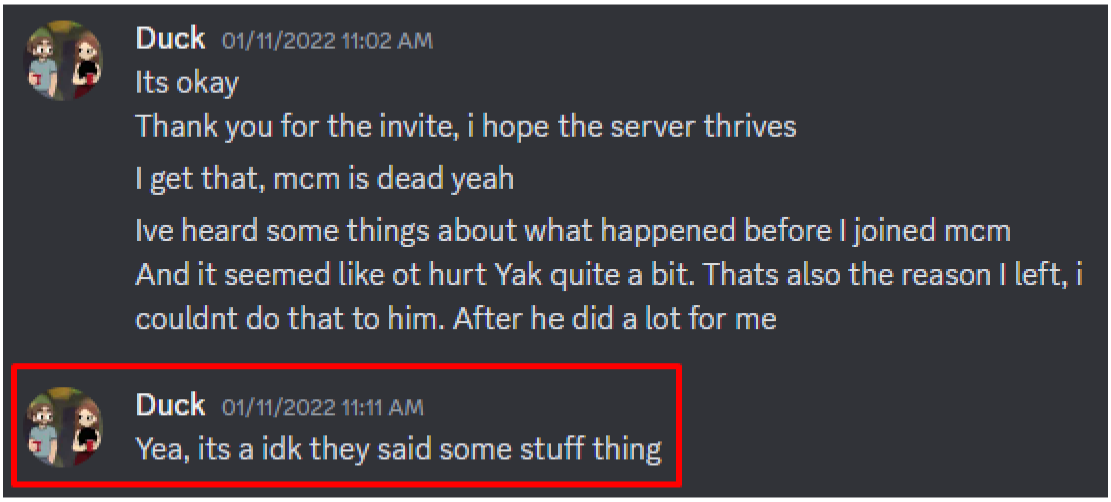
Regardless of yakko, you threatened to

Honestly, I like **Duck** a lot, he's just still **being groomed/misguided** but seems like a **solid Liv friend**. He's one of the **1st 5 people** to read this

document since we know he **exists** && has her **well-being** at **heart**.

Yakko destroys Max && Duck friendship to get to Liv early 2022

I **believe** since **Yakko described Duck** as a “**kind hearted reserved Germanic**” on the **Benevolent-persona**. She set out to disrupt any **friendship both me** and **him could foster early on** because I’m a **kind hearted Germanic** too which would foil **her grooming scheme**.



Duck 01/11/2022 11:02 AM
Its okay
Thank you for the invite, i hope the server thrives
I get that, mcm is dead yeah
Ive heard some things about what happened before I joined mcm
And it seemed like ot hurt Yak quite a bit. Thats also the reason I left, i couldnt do that to him. After he did a lot for me

Duck 01/11/2022 11:11 AM
Yea, its a idk they said some stuff thing

The **reason Yakko chose to push Duck to be close with Liv** is because

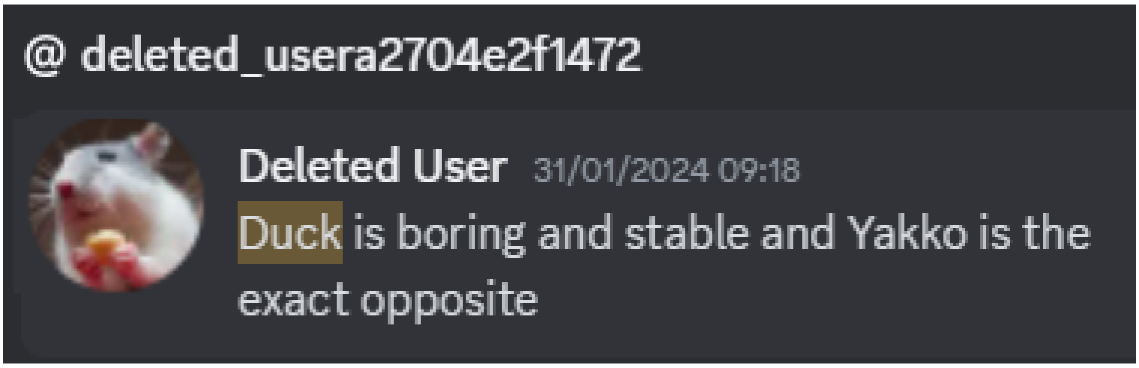
he **doesn’t pose a threat to her scheme of gaining Liv’s romantic interest** on her **“Casablanca”-persona** and **Duck** was **eating** out of the **palm** of the **“Yakko”-persona**’s **hand** by that **stage** so **Yakko** was in **FULL control of the situation to groom Olivia**. **Get rid** of **Max** && make the **rest of the server** your **unwitting cronies** could've ended in Liv’s **DEATH** or knowing these **SATANIC SCUMBAGS**, worse!

Yakko's assessment of Duck's temperament && character

Duck made the best "**placeholder**" or "**back up**" friend for **Liv**.

No offense to **Duck**, this is literally how **Yakko** saw this whole situation in

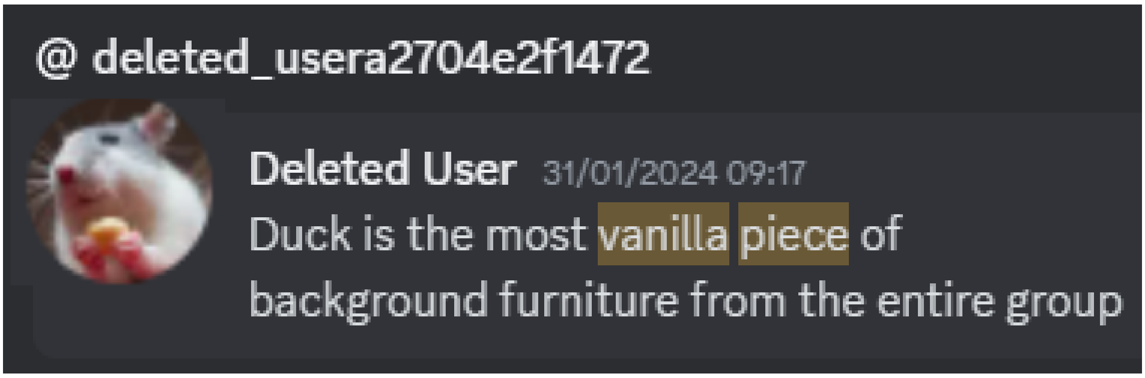
her **grooming** && **potentially murderous scheme against Olivia**.



@ deleted_usera2704e2f1472

Deleted User 31/01/2024 09:18

Duck is boring and stable and Yakko is the exact opposite



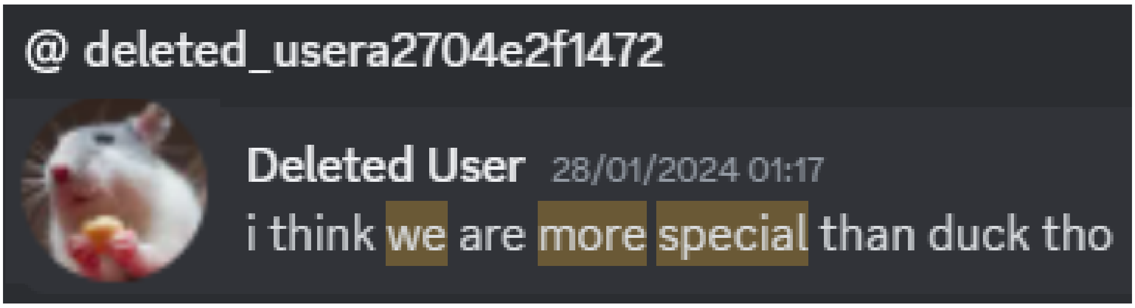
@ deleted_usera2704e2f1472

Deleted User 31/01/2024 09:17

Duck is the most vanilla piece of background furniture from the entire group

I **HATE** that this psychopath said "we" but I am special in the exact

opposite way as Yakko as she's EVIL && I'm good (or chaotic neutral).



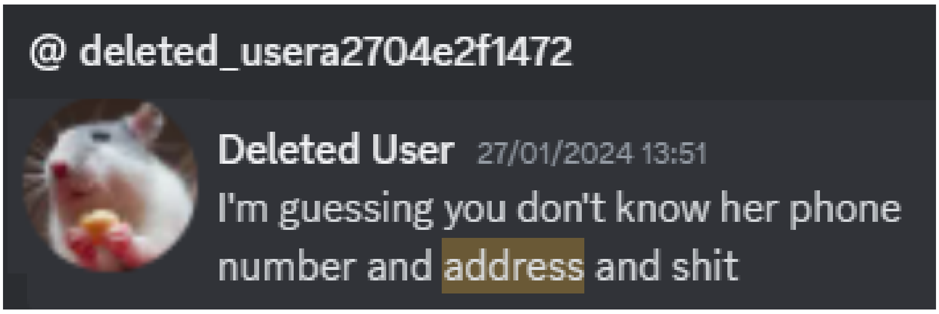
@ deleted_usera2704e2f1472

Deleted User 28/01/2024 01:17

i think we are more special than duck tho

Yakko/Yakko’s POSES AN ACTUAL DANGER TO Liv

Yakko also seems **OBSESSED** with **Liv** and the **last thing she did was try to coerce me into giving Liv’s personal information, playing on my limerence for Olivia, including her parents home address on the “Slutty Putty”/’Casablanca”-account.**



@ deleted_usera2704e2f1472

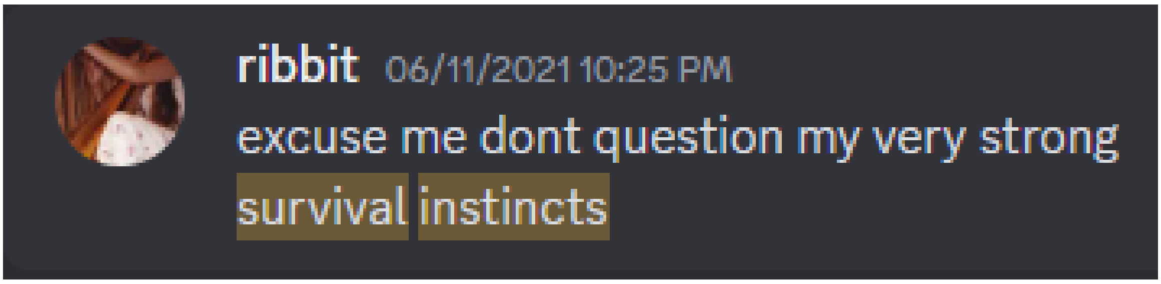
Not medical but I have this image saved that you may like:

So many pretty scars.

I think most of us agree that **Liv** is a **very lovable person** and that **anyone** that **poses** a **danger** to her **well-being** && **safety** is a **heck.**

If **Liv** ever went to "**Casablanca**"-**persona's house** trusting her there is a **GOOD chance Yakko's boyfriend** and **her** would've **raped** && **killed**

Yakko tick off all the boxes of a would be murderer e.g.**hospitalized** for **HOMICIDAL ideation**, **constant snuff flick posting on her “Benevolent” account**, **obsessive psychopath** that **systematically isolated Liv** through **multiple fake persona** all in the **context** of a **half-a-decade-long LARP**. Tell **Max** with a **straight face** this wouldn’t have **ended** up in **Liv’s brutal rape && murder** by this fat ugly dyke and her satanist boyfriend if **Liv** ever **decided** to link up …

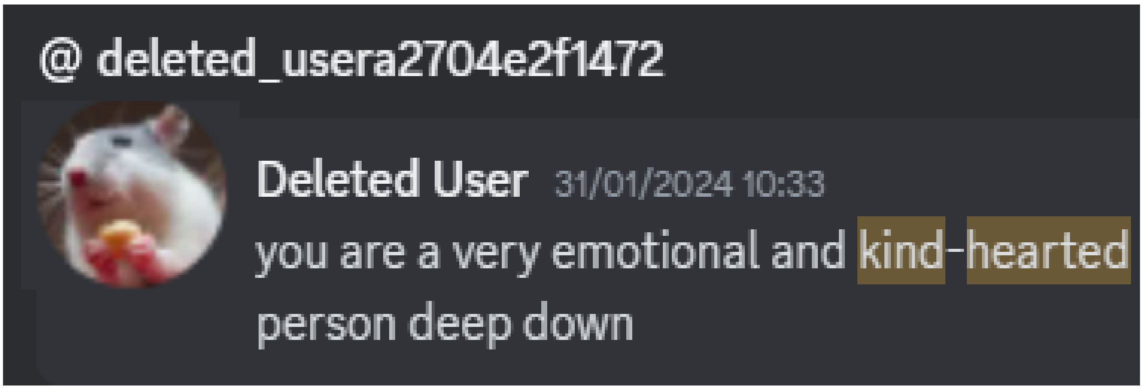


ribbit 06/11/2021 10:25 PM

excuse me dont question my very strong survival instincts

Yakko's assessment of my character on her "Casablanca" persona.

Yakko on Max's character; "kind-hearted" person deep down

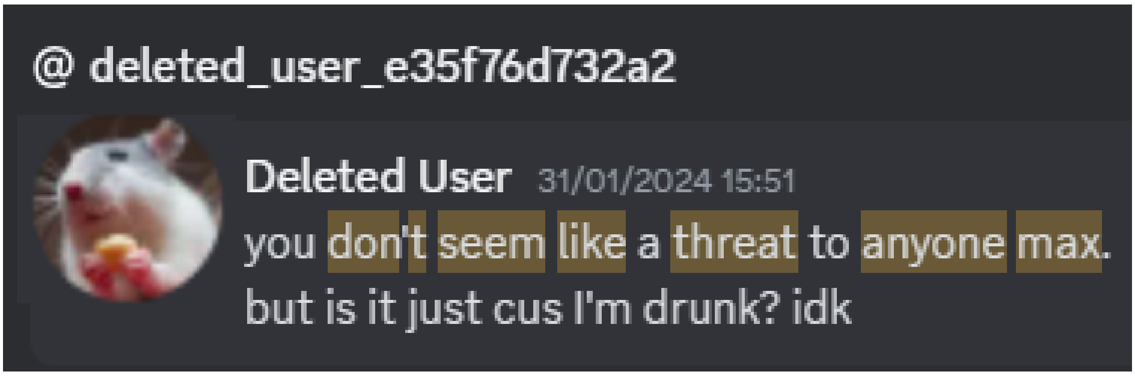


@ deleted_usera2704e2f1472

Deleted User 31/01/2024 10:33

you are a very emotional and kind-hearted person deep down

Yakko re-affirms on her "Casablanca"-persona that Max isn't a threat

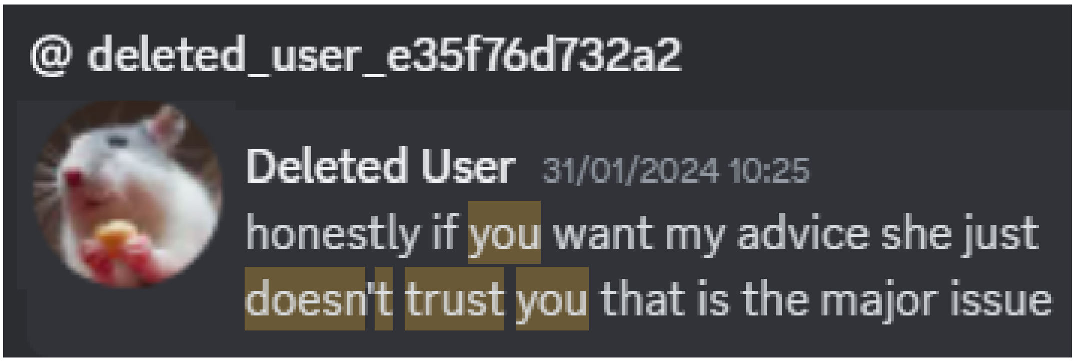


@ deleted_user_e35f76d732a2

Deleted User 31/01/2024 15:51

you don't seem like a threat to anyone max. but is it just cus I'm drunk? idk

Yakko explains to Max that the key issue (besides the gaslighting conspiracy Yakko spun to keep Liv isolated from Max over the course of YakkoYEARS over COUNTLESS accounts) is "trust"

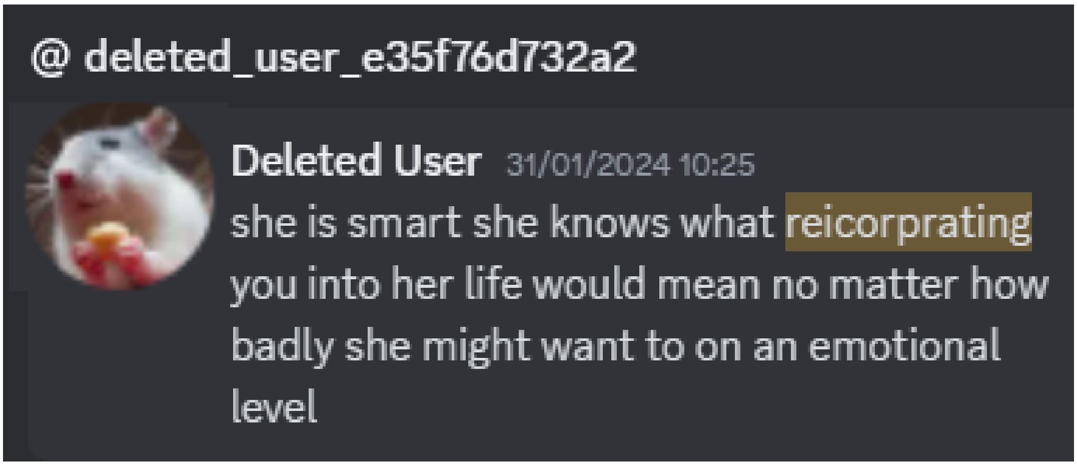


@ deleted_user_e35f76d732a2

Deleted User 31/01/2024 10:25

honestly if you want my advice she just doesn't trust you that is the major issue

Max struggled for 2.5 years in hell desperately seeking even mere closure with Liv so right meow 100% certain that if Liv decided to re-incorporate me into her life I would NEVER leak any of Liv’s DMs or secrets or pictures EVER again.

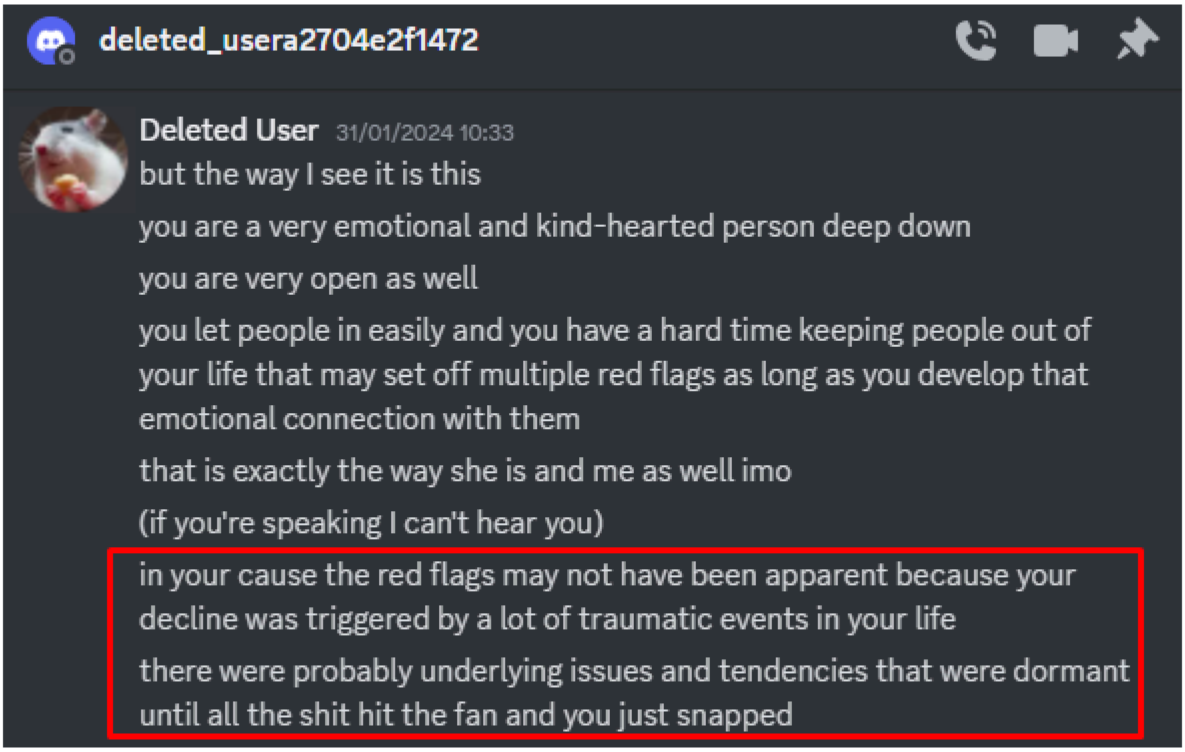


@ deleted_user_e35f76d732a2

Deleted User 31/01/2024 10:25

she is smart she knows what reicorprating you into her life would mean no matter how badly she might want to on an emotional level

Yakko/Yakko knew I had my **issues e.g. OCD, trauma, familial bereavement** and **Yakko brought these to a tipping point by isolating**
me on her “Yakko” persona



deleted_usera2704e2f1472

Deleted User 31/01/2024 10:33

but the way I see it is this

you are a very emotional and kind-hearted person deep down

you are very open as well

you let people in easily and you have a hard time keeping people out of your life that may set off multiple red flags as long as you develop that emotional connection with them

that is exactly the way she is and me as well imo

(if you're speaking I can't hear you)

in your cause the red flags may not have been apparent because your decline was triggered by a lot of traumatic events in your life

there were probably underlying issues and tendencies that were dormant until all the shit hit the fan and you just snapped

Yakko's TRUE opinion of her "friends" on the "Casablanca" persona" to Max (no reason for Yakko to hold back as she's confident she duped Max into believing Casa is unrelated)

Yakko's TRUE thoughts on Tina ballerina :3!

fuck that dora the explorer bitch

Yakko **g Tina** on the “**Yakko**” **persona** in Yakko and Max’s **private server** makes **total sense meow** through 2023.

First of all, **anyone** that’s **even remotely close** to **Liv** that **Yakko can’t control is seen** as a **threat** e.g. **Tina** or **Max**.

Second of all, **Yakko** was **jealous** of the **validation Liv showered Tina** in **instead** of **Yakko’s** “**Casablanca**” **persona**.

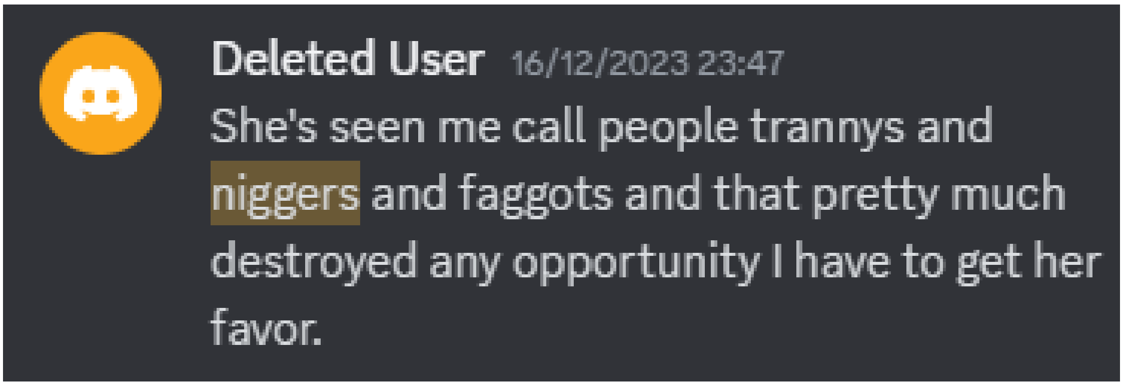
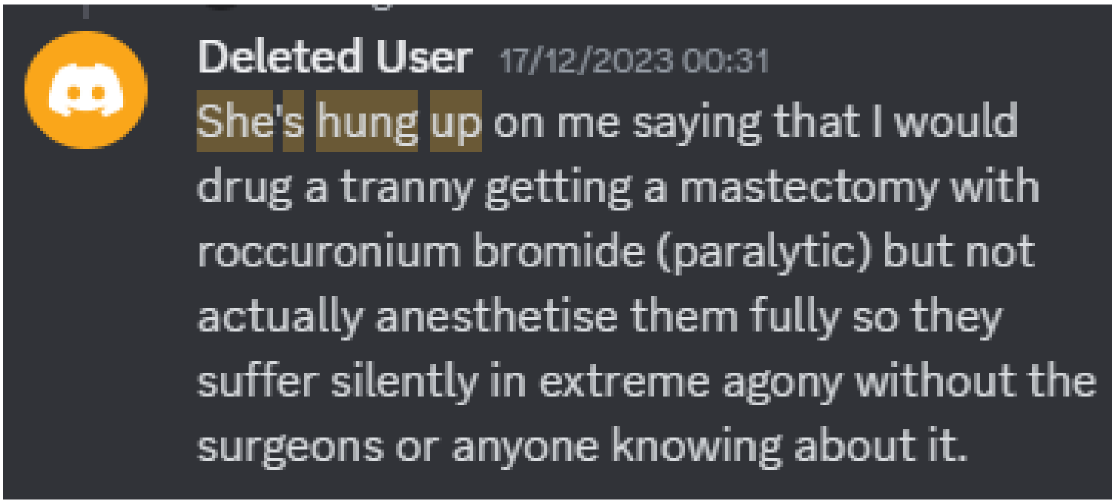
Deleted User 15/12/2023 20:01

Oh he's a nigger, makes sense.



Deleted User 16/12/2023 23:47

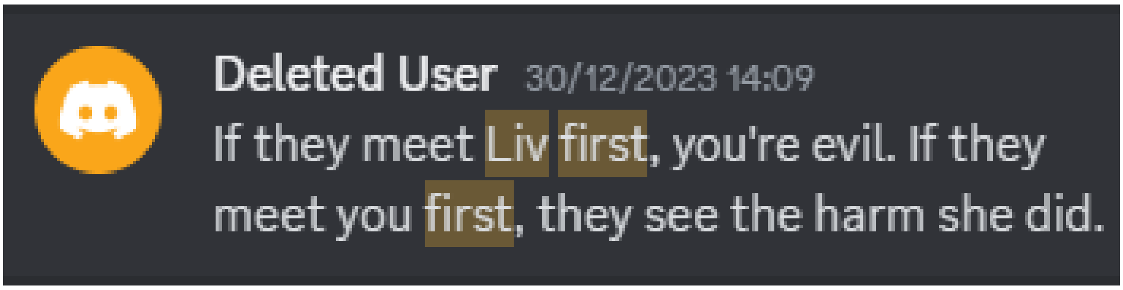
She's seen me call people trannys and niggers and faggots and that pretty much destroyed any opportunity I have to get her favor.



Deleted User 17/12/2023 00:31

She's hung up on me saying that I would drug a tranny getting a mastectomy with roccuronium bromide (paralytic) but not actually anesthetise them fully so they suffer silently in extreme agony without the surgeons or anyone knowing about it.

Slight correction here, Liv didn’t case me any harm, you orchestrated all of it POS.



Deleted User 30/12/2023 14:09

If they meet Liv first, you're evil. If they meet you first, they see the harm she did.

Yakko larps as **“Benevolent/Fern” persona** to **Max pretending** to hate Fern (her alt account) is hilarious.

Going by the Benevolent/Fern account’s posts you definitely are one sick freak.

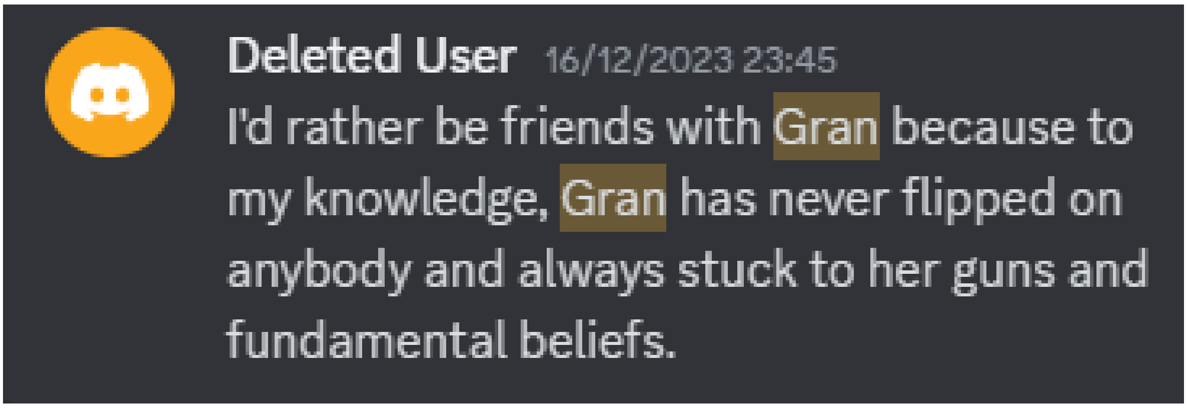
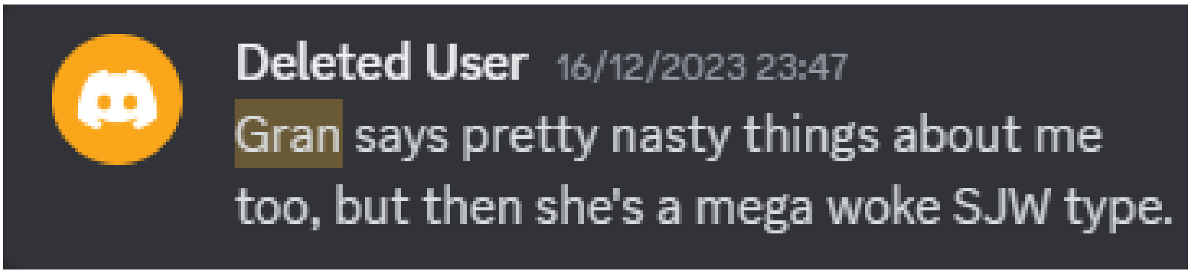
Pathological liar will pathologically lie, on her alter, to Max :3!!!



Deleted User 16/12/2023 23:45

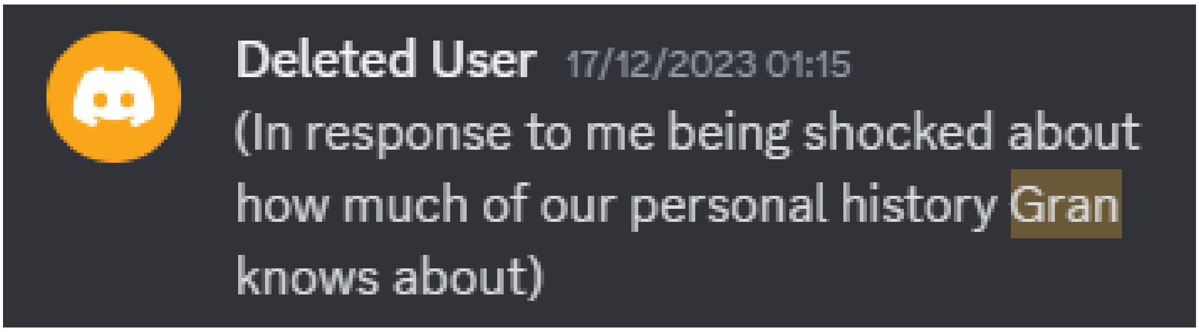
I'd rather be friends with Gran because to my knowledge, Gran has never flipped on anybody and always stuck to her guns and fundamental beliefs.

You’re a “mega woke SJW type” yet sure **threw the n-word** around often on the “Benevolent/Fern”-persona; didn’t ya Yakko.



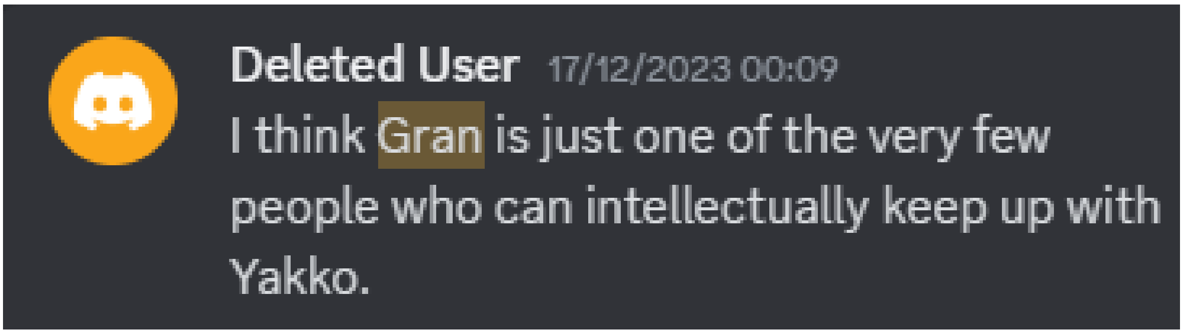
Deleted User 16/12/2023 23:47
Gran says pretty nasty things about me too, but then she's a mega woke SJW type.

No wonder Yakko knew so much about your “**tragic backstory**” she **created most** of **it** in **her Schizophrenic mind**.



Deleted User 17/12/2023 01:15
(In response to me being shocked about how much of our personal history Gran knows about)

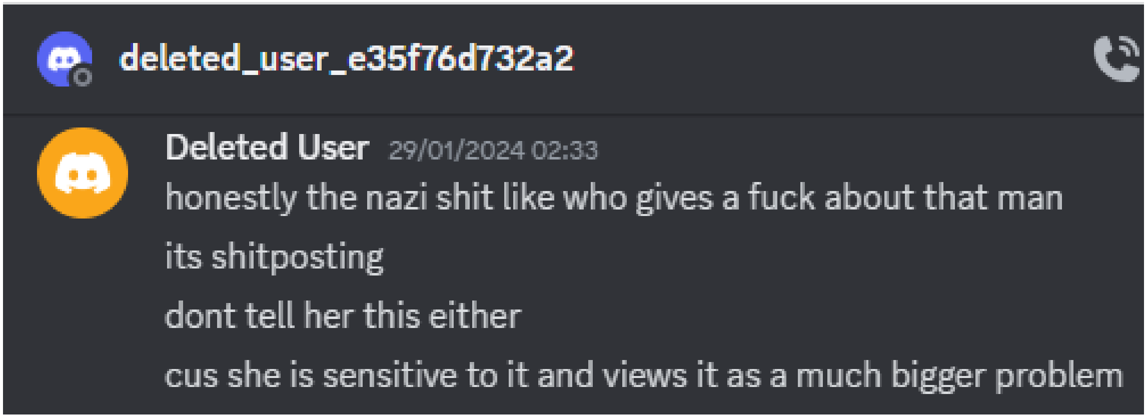
Of course, **Yakko** and **Yakko** are **one-and-the same**. I guess an IQ in the 99th-percentile doesn’t prevent you from making **dumb ass mistakes** e.g. claiming the art of an **infamous neo-nazi** as your own childhood art to prevent yourself from being doxxed …



Deleted User 17/12/2023 00:09
I think Gran is just one of the very few people who can intellectually keep up with Yakko.

Yakko’s racism && hypocrisy

Yakko threw a fit on the "Yakko" persona over **Max’s history** of \\racist“tirades” but on **Yakko’s** “**Casablanca**” **persona** she acknowledges **Max** was just “**shitposting**” … **which** is it???



Deleted User 29/01/2024 02:33

honestly the nazi shit like who gives a fuck about that man

its shitposting

dont tell her this either

cus she is sensitive to it and views it as a much bigger problem

Yakko’s attempt to pass off neo-Nazi art as her own childhood work,

which ultimately led to the downfall of her "Yakko" persona by Uncle

Piss exposing them as well as the “Benevolent”’s persona’s racist

ramblings that SHOCKED even Max indicate Yakko might not be

completely “woke”. In fact, her power level is **HUGE**.

What is with the whole Romani thing? Liv comes off like she's just white and wants desparately to be related in any way to a minority

I can relate to **Liv's struggle** both **Max** && **Liv** are **half German** and **half Romani** && **French** but the **both** of **us look pretty white** overall unlike **Yakko** who's not a **blind half Southern American/half Sri Lankan mutt** but of **White Anglo-Saxon Protestant** descent.

Moonie

Yakko’s default was grooming and after she lost interest in Moonie she made it seem as if Moonie was harassing her on instagram. No clue whether Moonie is limerent for Yakko but preferably if she is someone please tell her Yakko doesn’t exist …

...

Goodbye

This is my final page, In case something were to happen to me as I've squeezed quite literally every bit of endurance, perseverance, willpower, and strength out of my soul to keep going during these past 3 years of Yakko’s meddling in my life.

I’d still like Liv to actually read this as well as the “manifesto” which was just a non-accusatory goodbye note where I reaffirm she meant a lot to me, wish her a happy life (as I consider her my sis), and ask others to take care of her in case something happened e.g. Yakko is evil.

I don’t want to die but the past 2 years have been quite literally hell on earth as if I wandered into Silent Hill and there seems to be no clear cut way out back to how things were 2016 until 2021. Yakko’s actions aren’t just “Discord drama”. I wasn’t the only one to suffer “real world” consequences and to play it off as “whoopsie, the characters did it not myself” is disgusting.
